Selected Excerpts

From *Aunt Brenda*:

Aunt Brenda winked at me. “I miss the canings. So many naughty young boys with nice round bottoms in need of a sharp rap!”

She patted my bum as she said this, a friendly yet intimate gesture that made me break out into a sweat.

I shivered. I had only read about caning in books or heard wild rumors at school, things I couldn't believe, yet still kept me wide-eyed at night. Though never experienced, the cane still captured a great deal of the zeitgeist of my era.

Without thinking, I said, “I've never been caned. What's it like?”

From *Caned By My Aunt Again*:

I had to watch as Lizzie bent over the back of the chair, grabbed the seat with her fingers, and held on as her ass was caned to shreds (so to speak). Aunt Evelyn was vigorous and whipped that bendy rattan rod into bottom flesh with what seemed like all her strength. It was terrifying. Lizzie screamed and howled, absolutely beside herself in agony. Her bottom was striped from cleft to base, as well as the tops of her legs. Every weal was swollen and the most angry red I'd ever seen.

The flogging seemed to last forever, 12 excruciating strokes, and her shrieks echoed in my head like a horror movie on repeat. Suddenly, after a few seconds, way too soon, it was my turn.

From *The Girl Next Door*:

The next thing my astonished eyes saw was Grandma seated on the bed and pulling the hapless teen across her lap. That full butt blossomed into a perfect dome, clad in blue denim. The buns wiggled as Taylor struggled to escape and failed.

Then Grandma Burns was smacking those cheeks. Her hand must have been like iron, for it sounded as firm as a paddle. Taylor wasn't happy about it at all, so I guessed it hurt.

REAL-LIFE SPANKINGS

VOLUME THIRTEEN

*A fresh collection of the Flogmaster's
real-life spanking stories!*

*The Flogmaster's erotic writing
contains adult content, including
the severe corporal punishment of
adults or minors (consensual and
non-consensual), sexual activity, and
other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Apology Letter

(★★★★, FFM/f—Severe, non-consensual spanking, strapping)

When a girl plays a mean prank, she's punished three times and has to apologize. (Approximately 1,437 words.)

Julie wasn't usually a bad girl, but she took a dislike to the new girl, Lucy. Lucy was rather shy and not particularly attractive. She was at an "in-between" age—not quite a girl, but not yet a woman—and didn't have a curvy figure like Julie.

In particular, Lucy was embarrassed around boys. She could hardly talk to one without blushing. It was clear she'd never dated or kissed a boy yet, so some of the girls teased her about that, which only made her feelings of insecurity worse.

It was fun watching Lucy's overreaction, so Julie decided to prank her by putting a note in her bag that seemed to come from a boy. It said how he liked her, thought she was hot, and so on. It was signed "Brad," one of the most popular boys in school, and Lucy was so thrilled.

She went to Brad at lunch with the note and tried to talk to him. He was clueless, of course, and his reaction made her stutter and retreat into herself. She blushed and started to cry as he cruelly taunted her and said things like, "I'd only send a note like that to a pretty girl."

The teacher, Mrs. Carmichael, heard the commotion and saw Lucy run to the bathroom sobbing. She found the note on the floor and asked Brad about it. He said he hadn't written it. The teacher believed that because it was too neatly written and Brad had horrible handwriting.

Mrs. Carmichael went to her desk and took out some papers she needed to grade. The handwriting of the note was distinctive enough that she narrowed it down to a few choices in just minutes, and then it was easy to figure out it was Julie who'd written the note.

When class resumed after lunch, she assigned some reading and took Julie into the hall. She confronted her with the note and the girl admitted to the prank. The girl was shocked when told she was going to be spanked.

"But it was just a joke!"

"It's not at all funny. How would you like it if someone did that to you?"

"Oh, I'm sorry. Please don't spank me. I've never been

spanked at school before.”

“There’s a first time for everything,” said Mrs. Carmichael. There was a chair outside the room where naughty kids sometimes had to sit for time-outs. She sat down. She already had her paddle ready. It was similar in size to a hairbrush, but had no bristles.

Julie begged for mercy, but she was put over the lap, her skirt raised, her panties tugged tight across her rump, exposing most of her cheeks, and the paddle came down like bolts of lightning. The spanking was brisk and painful. In seconds, the girl was shrieking and crying, her bottom on fire. The spanking lasted two or three minutes with her sobbing the entire time.

Then she was stood up, her skirt lowered, and Mrs. Carmichael pushed her back into the classroom before she could compose herself. Julie was so embarrassed to be sent down the aisle to her chair still weeping, her face red, and her bottom burning.

Worse was to come, however. A little while later, Mrs. Carmichael gave Julie a note to take home. The message explained why Julie had been spanked.

“If I don’t have this back tomorrow signed by your mother, you’ll be paddled by the principal,” the teacher warned. Julie’s ears burned as everyone heard this pronouncement. She wanted to disappear in a hole.

She also knew that her mother was a big believer in discipline. That was why Julie had never been spanked at school before. Her mother had always said if she was, she’d get it twice as hard at home, and she dreaded taking

the note home.

For a few seconds, Julie considered forging her mother's signature, but she'd heard of other kids getting caught doing that and decided it wasn't worth the risk. Mrs. Carmichael might mention the spanking during a Parent-Teacher meeting, and then Julie would be dead meat.

As she'd expected, her mother was furious with her. She wanted the whole story and wasn't at all happy with Julie's explanation of why she'd done such a cruel thing. Lucy hadn't been anything but nice to Julie, and she was new to the school. Just because others teased her about boys didn't give Julie the right to be mean.

Before she would sign the note for her daughter to take back to Mrs. Carmichael, Julie's mom bared the girl's bottom and spanked her with a wooden hairbrush for a full five minutes. It was far worse than the school spanking and left Julie's bottom inflamed for hours. She was still sobbing an hour later when her mother made her sit her bare bottom at the kitchen table and write out an apology letter to Lucy.

This wasn't just a quick "I'm sorry" card. This had to be a long letter. Julie was required to explain what she'd done, confess to why she'd done it, apologize, and explain not only how she'd been spanked by Mrs. Carmichael in the hall at school, but also at home by her mother.

"I want great detail, young lady. At least 100 words describing each spanking—how it happened, what you felt, and how you benefited."

Julie couldn't believe she was going to have to do this. But she'd never done anything bad to another person before, so there'd been no need for an apology letter. Her first two drafts were rejected by her mother for being incomplete, and by the time the girl finished, it was time for supper and her father was home from work.

He was not at all happy with what he heard. "Let me see your bottom," he demanded, and though Julie was totally embarrassed, she had to turn and show her daddy her bare butt. He studied the reddened cheeks and decided that a few belt lashes were warranted.

"Before you go to bed, I'm going to give you a little whipping," he announced. "Better add that into your apology letter."

So after supper, Julie had to add another paragraph about how her father was going to strap her before bed. The whole thing was humiliating, but worse was knowing that she was going to have to give the letter to Lucy the next day. Her mother insisted she do it in the presence of Mrs. Carmichael, so Julie couldn't just hand it to the girl and run away. She would have to stand there and face the music.

Julie expected the next day to be awful, and it was. By then, she was truly ashamed of her behavior, and when she apologized to Lucy, it was with genuine tears in her eyes.

"I'm so sorry. I really don't know what came over me. It was terribly mean of me, and I hope you'll forgive me. I'm not usually like that at all. I've never done anything

like that before, and I never will again.”

She even offered to show Lucy her bare bottom, which was still quite red. “Daddy gave me 13 lashes with his belt,” she admitted. “The marks were still visible this morning.”

“Wow,” said Lucy. “You got three spankings!”

“I guess I did. But I deserved it. It was an awful thing I did.”

“It’s okay. It didn’t kill me,” said Lucy. “I just get so flustered around boys. I know I’m not that pretty, and I don’t really have boobs yet, so it makes me really self-conscious.”

“You’re not ugly,” protested Julie. “You’re just becoming a woman. It’s awkward. I went through it. It’s part of growing up. When I lost my baby teeth, I looked ridiculous for the longest time!”

“Thanks for saying that.”

“It’s true. You’re going to be really pretty, I can tell. That Brad Carpenter will regret laughing at you. You’ll be so hot in high school, and he’ll beg to date you, and you’ll turn him down and stomp on his heart!”

The two laughed at this, and Lucy did feel better. Julie decided to help the girl make friends and even learn how to talk to boys, so she invited Lucy over to her place after school. Soon, the two were inseparable and became best friends for the rest of their school days!
