Selected Excerpts

From *Best Friend's Mom*:

I remember wanting very much to see his sister, Susan, whipped. I'd heard her yelling and crying when the belt cracked down and it sounded very much like it was landing on bare skin, which gave me strange feelings. But Mrs. Crouch always seemed to drive one of the younger kids into a bedroom before applying the leather, so I could only hear the cracks and screams.

When I was over at Mark's, I was always worried about his mother and her belt. I was terrified she might whip me!

From *Graduated to the Cane*:

Mum caught me with chocolate all over my face and wondered where I got it. I tried to explain I had it in my room, but she knew me too well: any candy I had there wouldn't have lasted long. She knew I couldn't have bought it since I'd complained I didn't have any money.

"You pinched it, didn't you!" she cried. She was livid and dragged me to the washroom where she took down that long question mark-shaped cane. I was motionless with fear. I couldn't believe it.

She tapped me on the back of the legs with the cane—not too gently—and ordered me to take the shorts down. When I didn't move, she flicked the cane across my plump seat, and it stung terribly even though I was still fully dressed.

From *Sister Spankings*:

Mom really blistered my butt and left me weeping in the corner. I was so sore I didn't even notice Anne until she was right behind me, her hand lightly brushing my still-steaming buttocks.

"Look at you, such a big boy, still getting spanked naked by your mommy," she said.

REAL-LIFE SPANKINGS

*A fresh collection of the Flogmaster's
real-life spanking stories!*

*The Flogmaster's erotic writing

non-consensual), sexual activity, and
other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Hired Teenage Spanker

(★★★★, Ff/fm—Severe, non-consensual spanking)

Two kids live with a strict relative for a time. (Approximately 1,633 words.)

When I was ten, my big sister and I had to go live with a distant relative while my mom was in a sort of rehab. For 18 months, we lived with “Aunt” Debbie, who was my mom’s second cousin or something like that.

Mom had never been much of a spanker. She’d struggled with mental and addiction problems after our father died; I think she never got over the loss of him. She let us run wild, and though there were a few light

smackings, there was nothing formal or painful.

Aunt Debbie was a totally different beast. She was tall and broad and dour. She was nasty strict and made it clear right from our first night that any misbehavior would be dealt with immediately by her wooden hairbrush. She showed us the thing, and it was huge, nearly the size of a small book!

Then she pulled Alice over her lap, yanked up her dress, and pulled down her panties, revealing my sister's rather large bottom, pale like two unbaked loaves of dough. Thankfully, that time it wasn't a full spanking, just half a dozen whacks spread across both cheeks. Alice cried more from alarm and shock than the pain, I think, but her butt did get some scarlet blotches across it.

I was scared to death when it was my turn. I couldn't resist as my pants and underwear were lowered. I was flipped over Aunt Debbie's lap, and my bare butt whacked while my wide-eyed sister watched. Though I was younger, I was given the same six spanks—a demonstration, I gathered, as neither of us was aware of doing anything wrong—and then we were sent to bed.

My sister and I had to share a room, and I remember whispering to her in the dark that night, asking if we'd be spanked like that again.

"No, I'm sure she was just trying to scare us," Alice said bravely. "She's all talk."

That proved to be dreadfully wrong. Aunt Debbie spanked the two of us *all the time*. It felt like it was constant, but I suppose twice a week was normal. Alice

was spanked almost as often as me! Most were formal over-her-knee affairs, but there were a few memorable, unusual events.

One was during a time when I had to memorize the capital cities of every state for school. I was terrible at memorizing and struggled with this challenge. I spent the whole weekend working and sweating, and every hour or so, Aunt Debbie would come in and test me, throwing out random states and seeing which capitals I could name.

Every time I got one wrong, I had to present her my bare bottom, bent over the end of my bed with my pants and underwear down, and she'd give my cheeks about ten hard swats with that hairbrush.

When I'd gotten three or four wrong, she'd tell me I needed to study more, and I'd go back to work, my butt blazing. Then she'd be back for another quiz, and we'd repeat the process. By the end of the weekend, I must have gotten a dozen spankings, and my bottom was black and blue, but I did know all 50 state capitals backwards and forwards. I still remember them to this day, in fact!

The whole time we stayed with Aunt Debbie, she was strict like this. She spanked for the slightest offense. Alice was two seconds late coming home for supper, and she was spanked. If I didn't get out of bed *immediately* in the morning when my alarm went off, I got spanked. If either of us failed to do our chores or did them poorly, we got spanked. Any bad grades at school resulted in spankings. We both lived in terrible fear of Aunt Debbie and her hairbrush.

Then, after we'd been there about a year, we were given a reprieve, or so we thought. Aunt Debbie was in a car accident and ended up with her right arm broken in four places. She was in a cast for over two months. She couldn't spank us! We both nearly danced a jig!

Our joy lasted less than a week. I remember vividly coming home from school one afternoon to discover a teenage girl in our living room. She was tall and athletic, a high school cheerleader. I'm not even sure how old she was, but she seemed awesomely older and stunningly gorgeous to me. She had long brown hair she wore in a ponytail or piled up in a cute bun on her head. She had a dimpled smile and bright blue eyes. Her body was delicious, very grown up, with full breasts and a fantastic butt that showed off well in jeans or shorts. Her name was Heather.

"Both of you, get your bottoms bare," Aunt Debbie ordered us.

Alice and I didn't move. We were too stunned and embarrassed. I was so confused. Here I'd just been introduced to this high school beauty and now I was being ordered to bare my bottom? What was going on?

That's when Heather picked up the hairbrush from the coffee table. "Come here," she said to me, smiling kindly, and she sat in a nearby chair and drew me to her lap. In a trice she had my jeans and underwear down, and then I was lying over her legs with my bare bottom thrust up into her face.

Heather started spanking me with that brush while

Aunt Debbie gave instructions. “Harder! Get those low spots. Spank him all over, don’t neglect anywhere. Put some muscle into it, faster!”

It went on like for what felt like hours. It was absolutely one of the worst spankings I’d gotten. My sister was standing nearby, her pants and panties next to her, and she looked terrified. She was already crying a little.

Sure enough, it was her turn next and while I hopped and rubbed and wept, forgetting all about my nudity, Alice was put over Heather’s lap and soundly spanked. She sobbed and begged for forgiveness, but Heather was under strict orders from Aunt Debbie who didn’t let her get away with even a single mild strike.

“That wasn’t hard enough, give her three more to make up for that,” Aunt Debbie would say, proving that a soft spank was no mercy.

That first Heather spanking was definitely not the last. Several times a week, the teen came over and spanked us, as needed. Usually, we’d done something to deserve it, but often Aunt Debbie would say, “Well, as long as you’re here, Heather, go ahead and spank the other brat, too.”

So Alice or I would get spanked for nothing, just out of convenience. Supposedly, Aunt Debbie would say we’d have a spanking “credit” for the next time we did something wrong, but those went up in smoke so fast they hardly counted.

Like I remember one night after Heather spanked both of us even though it was my sister who’d earned the

punishment by not washing a dish properly. I was getting ready for bed, and Aunt Debbie said I didn't take enough time brushing my teeth.

"That's used up your credit," she said, "now go back and brush them again."

That particular incident sticks in my memory because mid-term report cards were due that week, and I had a bad feeling I'd be getting a spanking for some of my grades. I'd hoped my credit would apply, but before I'd even gone to sleep, it was erased. The next two days were full of dread, and sure enough, on Friday, Heather was there eagerly holding the brush as Aunt Debbie went over our reports.

While Alice's wasn't as bad as mine, she still got two spankings. I was given *four*! Most were about 25 spanks, but two were more as I'd gotten two D's, and Aunt Debbie insisted those be punished harder. I didn't even want to think about what I'd get if I flunked a class! (These weren't final grades, but an indication of what grade I'd get at the end of the term if I didn't improve.)

When Aunt Debbie got her cast off, she was still healing, and it was another few weeks before her arm was strong enough to spank. Even then, her swats weren't as hard as before, and certainly not as painful as Heather's. We didn't let on about this, however, howling like we were being cut to pieces so Aunt Debbie thought we were in agony.

About a month later, Mom was finally better, and we returned home. We were so happy to be back with her.

We didn't want to worry her, so we never told her about Aunt Debbie's discipline. We pretended it had been fine, but we were glad we never saw Aunt Debbie again.

Thankfully, Mom's recovery went well. It was never easy, always ongoing, but Alice and I did our best to help. We tried to be good and not cause Mom additional stress. While I hated being spanked by Aunt Debbie, there was good out of it, for we'd learned a lot about how to behave.

We both were experts at doing the dishes and cleaning the house. Mom was astonished. We did our own laundry, too. I even managed to get C's or better in all my classes, and Mom took me out for ice cream to celebrate. That was quite the switch from getting the hairbrush on my bare butt.

Also, of course, I still know all the state capitals!
