**REAL-LIFE SPANKINGS**

**VOLUME FIFTEEN**

*A fresh collection of the Flogmaster's  
real-life spanking stories!*

# Random Praise for the Flogmaster's Writing

*Great story, Flogmaster. That's Chinese medicine at its finest.*

**C.T.**

*Excellent short story, you can feel the tension and the strokes!*

**RB50**

*I really enjoyed this, not as much as the protagonists though. The descriptions of her bottom, the effects of the strokes on her body and the effects of the strokes in her body were top notch.*

**OPB**

*A fun game, and another one who likes to watch the face of a lady as she is spanked.*

**H.W.D.**

*This is a curious one - the excessive, unrelenting punishment starts to feel like cartoon violence. It doesn't work if you take it seriously. Well written. I liked the characters, and even the absurd premise becomes oddly enjoyable.*

**KYM**

*Great setup, but I do feel badly for the one girl who didn't want to participate, and got her butt roasted anyhow.*

**R.S.R.**

*Erin and Eric are evidently a well-matched pair. I love the courageous way she takes the cane!*

**RN**

## **Selected Excerpts**

### **From *A Real Woodshed*:**

I laughed and said I wasn't afraid. Later, though, I kept thinking about that woodshed. I was afraid, but I was also curious. I didn't truly believe that a *girl* would get spanked in the woodshed, so I wasn't that worried.

But a few days later, I left a gate open. My aunt and uncle had lectured me sternly when I arrived about making sure I closed every gate. Some cows got out and caused my uncle a great deal of hassle and extra work to track them down. My aunt gave me the stink eye and said, "Come on, Rosalee, we're going to the woodshed."

### **From *Lied About a Spanking*:**

She then proceeded to spank me for real, a sound punishment all over my bottom, especially down low at the base where it hurts when you sit. I sobbed and apologized and begged for her to stop. Mom kept spanking until she felt I'd learned my lesson, however.

### **From *Spanked In Front of My Teacher*:**

I thought she was going to spank me over my jeans, since she had given me a few whacks that way. But she peeled my jeans down and started tugging on my panties. I wailed in protest.

"No! No! You can't! Not in front of Mr. Granger!"

I kicked and writhed, wiggling so much that Mom had trouble baring me. My face was burning with shame, and I knew Mr. Granger was leering at me, eager to see me naked.

### **From *Watch and Learn*:**

Mum gave me ten strokes, which felt like a lot for a first caning, except it was a junior rod and the damage was minimal. I soon joined Emily in the corner, my knickers at my knees, weeping as the two mothers chatted about discipline and red-striped bottoms.

## ***REAL-LIFE SPANKINGS***

### **VOLUME FIFTEEN**

*A fresh collection of the Flogmaster's  
real-life spanking stories!*

*The Flogmaster's erotic writing  
contains adult content, including  
the severe corporal punishment of  
adults or minors (consensual and  
non-consensual), sexual activity, and  
other politically incorrect topics.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Long Weekend

**(★★★★, FM/f—Severe, non-consensual spanking, paddling)**

A growing girl rebels and gets multiple spankings from her mother in one weekend. (Approximately 2,633 words.)

**M**y father was the spanker in our household. I loved him dearly, but I was also intimidated by him. He could be quite stern. He was a businessman, always serious, and did not have a warm personality. He wasn't mean or anything, just not an easy man to know.

He was also busy. This was in the 1960s in a traditional home where the man was assumed to be the breadwinner. Dad was always working and it seemed to me that whenever he was home, he was usually spanking

one of us.

When I was young I watched him spank my older brother and sister. His spankings were fierce. He used a foot-long wooden paddle with you draped across his lap, and your underwear lowered so the swats were against bare skin. My big brother would shriek and cry, which terrified me, since David seemed so grown up to me. I'd see his butt turn bright red and get dark and sore and blistered. It seemed awful. I really feared my father's spankings.

I'm not sure why Mom didn't spank. It was an arrangement my parents had made, perhaps a compromise so that Mom wouldn't always have to be the "bad guy." But one weekend I made the mistake of thinking that Mom *couldn't* spank.

I wasn't spanked often. I was generally a good girl, and most of my spankings were when I was little and Daddy only used his hand. I actually didn't want to grow up because I knew when I got older I'd be subject to the paddle like my siblings!

Dad switched to the paddle when we turned 12, so when that happened to me, I wasn't happy about it. I walked on eggshells for weeks, trying to avoid a spanking, and managed to get away with it for nearly two months.

But I was also becoming restless and rebellious, resenting the freedom my older brother and sister had. David was driving by then, and my sister, Christine, was going out with boys. I was jealous and angry. She had breasts and hips, and I was only just starting to "flower." I

was impatient.

On the weekend in question, my father was away on a business trip. This was unusual. While he worked long hours and occasionally was away for a night, he'd never been gone for this long. This was all last minute as he'd had to take over for a colleague who'd become ill.

I was upset because Daddy had promised to take me to see a movie on Saturday. We were going to have pizza and ice cream after. This was to make up for Daddy missing my birthday because he had to work. Now he was gone again, and I was furious.

My bad mood showed all day. On Friday, I got in trouble at school and ended up in the principal's office. Mom got a call. If Daddy had been home, I would have feared a spanking, but he was gone, and that made me brave (or maybe it was foolish).

When I got home, Mom scolded me and asked me what I was thinking, defacing school property. I'd been caught writing on the bathroom wall. I told her to fuck off. That wasn't smart. The next thing I knew, I was in the bathroom, and Mom was washing my mouth out with soap. I'd never had that happen before or seen Mom so animated. She even slapped my bottom a few times to get me to settle down.

I was astonished I didn't resist as she inserted the soapy bar into my mouth. Then she held my mouth closed as I fought her, the taste terrible. It felt like we were in a struggle for an hour, but it was probably just a couple of minutes. She let me rinse out the soap and then pulled

me into my bedroom.

What happened next was another shock. When she started to help me get undressed, I was thinking I was being punished by being put to bed early. That wasn't so bad, so I didn't exactly resist. But once my outer clothes were off, Mom didn't stop. She pulled my panties down. I was rather embarrassed.

But before I could come up with a response to that, Mom sat on my bed, flipped me over her lap, and started slapping my bare bottom with her hand. I yelped and wiggled and tried to roll off, but she was surprisingly strong. The more I yelled and fought, the harder she smacked me.

It didn't hurt that much; it was the principle that bothered me. Dad was the spanker, not Mom! I was confused by the change in roles. I finally calmed down, and she finished the spanking with perhaps another 15 slaps per cheek. My ass was tingling. I was angry.

My first instinct was to swear—that was the “cool thing” at school in those days—but I remembered the nasty soap and refrained.

“You can't spank me,” I told her.

“Why not?”

“That's Dad's job.”

“Well, he's not here, so you'll have to deal with me.”

I laughed. I don't know why I wasn't worried about Daddy paddling me when he got back home, but I wasn't. That seemed far away. Maybe I wanted Daddy to spank me. It was one way to get his attention.

Mom didn't like me laughing. She pulled me back over her lap and started spanking me some more. At first, I let her do it, pretending to be tough and indifferent, but when her slaps began to hurt, I struggled to get away.

“Do I need to get the paddle?” Mom demanded.

“No,” I mumbled, and I let her finish slapping my ass with her hand. It was humiliating, and I was embarrassed. That only made me more angry and resentful.

Mom said I was grounded for the weekend and I couldn't leave my room. I said, “Fine,” and once she was gone, I flipped the closed door the bird. I wasn't quite brave enough to do it with her watching!

Later that night, she brought me some supper. It was just some leftovers. I was hungry, but I had to be the rebel and refuse to eat it. I didn't want her thinking I needed her.

She took the tray away and announced that the next day I'd help her plant the spring vegetable garden. I nearly told her to fuck off again, but my bottom was still warm and tingling, and I wondered if she really would use the paddle. I said nothing.

I really hate gardening. The next morning, when Mom demanded I help her, I refused. Once again, I'd underestimated her strength. She was not a big woman, but she was determined, and before I knew it, she'd bared my ass and was spanking me again!

This time it was a “proper” spanking. It was long and vigorous. She only used her hand, but she put mustard on

every slap, and by the time she stopped about ten minutes later, my cheeks looked like they'd been in the summer sun for a week. I was roasted.

I had a good cry and then joined Mom in the garden. I wasn't happy, but even pulling weeds and digging holes for plants was better than being spanked again.
