Selected Excerpts

From *After School Discipline*:

Twice that day, they were each spanked again. Jenny felt ruthless and punished for ridiculous things. Randy was spanked for needing to pee ("You should have gone before you came!") and then later for making noise. Bethany was spanked for fidgeting and then for finishing her work too early.

Bethany sighed as she pushed her panties down to her ankles. "I don't even know why I bother pulling these up," she muttered. "They're just coming down again."

"That's a great suggestion!" Jenny said. "From now on, if you get spanked, your bottom will stay bare until you go home."

From *Audrey the Optimist*:

Audrey was trying to tell herself that the upcoming spanking wouldn't be that bad. She took her skirt off and stood with her back to her mirror, peering over her shoulder to see her butt. Her skin was smooth and fair, but the twins were rosy and blushing deeply. They didn't hurt, exactly, but they were warm and sensitive, and she wasn't looking forward to another punishment.

"I suppose I deserve it for *something*," she said with a shrug. "At least it won't be too long. Mom spansks hard, but it's over quickly."

From *Spanking Badge*:

"What is so urgent, Mom? I was shopping!"

"You can take ten minutes out of your busy schedule to get some discipline," said the mom sternly. "This Scout is spanking naughty girls in the mall today."

The daughter was incredulous. "What are you talking about?"

Brad himself was surprised, for he'd been expecting a

younger girl. But as a Scout, he was always prepared for anything, so he quickly adjusted his mindset and reached into his bag and took out a 15-inch wooden paddle with two rows of holes across the blade. The watching daughter's jaw dropped open.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes.
(Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

After School Discipline

(★★★★★, F/mf, f/m, m/f, f/F—Severe, non-consensual and consensual spanking, paddling)

When arrangements are made for a naughty boy to stay with a neighbor lady after school, he discovers he's not alone: a girl is also being babysat, and both are strictly disciplined. Eventually, the two become friends and learn to enjoy being spanked together! (Approximately 11,252 words.)

Babysitter Required

The arrangement had been going well for a couple of months, though Randy still wasn't happy about needing a babysitter. He tried and tried to convince his mom that he wasn't the irresponsible boy who had

nearly burned down the house playing with matches.

“I was seven then. A *kid*. I’m ten now. Almost a man!”

It was the 1970s, and more and more wives were getting jobs. That’s what had happened to Randy’s mom, leaving him two free hours after school with no supervision. Mrs. Chapman wasn’t about to have that, so she’d made arrangements for him to stay with Mrs. Field. The woman lived just a few doors down and was already watching Bethany Blaine, a girl Randy’s age.

That turned out to be convenient, since Bethany was a better student than Randy and could help him with his homework. The two would study quietly under the watchful eye of Mrs. Field, who didn’t put up with any nonsense or fun. Randy hated it, for it was like two extra hours of school.

But Mrs. Field wielded a sturdy wooden ruler and was authorized to spank, so Randy had a strong motivation to obey. On three occasions, he’d fallen afoul of her many rules and had ended up with his pants pulled down and draped across her broad lap, the beefy woman paddling his naked butt hard with her ruler. She’d made no concession for a girl being present, so Bethany got to watch the whole show, which was mortifying.

To be fair, Bethany had arrived late one day and been spanked the same way (though not as hard, Randy thought), so there was equal treatment.

One day while he was struggling to read a boring short

story for English class, he heard Mrs. Field and her daughter arguing. Randy had only seen Jenny Field a few times. She was 15 and in high school, a tall, lanky brunette with a scowl for a face. She scorned him like a kid, so he never paid her much attention. But her shouting and Mrs. Field's retort caught his attention.

"You *will* do what I say, young lady, or I'll put you over my knee and paddle your bottom black and blue!"

"But Mom, after school is *my* time! I can't waste it babysitting some stupid brats!"

There was a muffled *smack* and though the girl and her mother were in the kitchen, every kid on Earth knew what that sound meant: Jenny had just gotten her bottom slapped.

Randy and Bethany looked at each other with wide eyes. They weren't sure what was going on, but whatever it was, it was significant.

The warning to the girl must have worked, for though she wore her scowl when she appeared with her mother, she had not earned a full spanking and seemed cooperative.

"Children, my schedule at the hospital has changed," said Mrs. Field. "I won't be able to watch you after school anymore, but I've arranged for Jenny to be here and she'll keep an eye on you two and make sure you do your homework and don't get into mischief. I will explain this to your parents tonight and I'm sure they'll be on board."

That evening, Randy tried again to argue that he didn't need an after-school sitter, to no avail. Mrs. Chapman

wasn't happy that a teenage girl would be supervising instead of an adult, but it was far better than no one. Besides, it was only for a couple of hours each day.

At first, this didn't seem like a big change for the two kids; one babysitter was just like another. But they soon learned differently. Jenny was furious at having to waste her afternoons watching them and so she took out her anger on her charges.

The next afternoon, she made her intentions clear right from the start. Glaring at both kids, she showed them her mother's ruler and warned that she wasn't afraid to use it.

"No way, you can't spank us!" cried Randy, his ears burning at the thought. Jenny was only a few years older than him, and it didn't seem right.

Bethany was equally horrified. "My mother gave your *mother* permission, but not you," she said.

"I am your babysitter, and I can discipline you as I see fit," said Jenny. "In fact, I'm calling that backtalk, and you're both getting spankings right now!"

Jenny grabbed at Randy, but he was standing and quickly stepped back. Bethany, however, was seated, and before she could rise, Jenny had her.

"Hey, put me down!" she cried, but Jenny was much bigger and stronger and quickly flipped the tiny blond across her lap. Then she raised the girl's skirt, revealing a pert little bottom encased in white panties. These she pulled down, Bethany squealing in dismay.

Jenny ignored the girl and began spanking the

exposed buttocks, slapping them with her hand until they glowed. Bethany cried and finally relaxed, the fight gone out of her. Jenny finished the correction with ten cracks with the wooden ruler.

“Your turn,” the sitter said to Randy. “Get over here now. If I have to report this to your mother, you know she’s going to strap you.”

This was true, Randy knew. He wanted to argue and he certainly didn’t want a spanking, but his mother was big on authority, and Jenny, despite her young age, technically was his babysitter, and his babysitters usually had permission to spank his bottom. Reluctantly, he moved to Jenny’s side.

“Pants and underwear down,” she said smugly.

Blushing, but glad that he wasn’t alone—Bethany had just suffered this same indignation—he obeyed, baring his bottom. He tried to hide his front with his hands and quickly bent over the offered legs.

Jenny wasted no time. She began to spank him immediately, her hand peppering his butt with furious blows that had his skin turning pink and his eyes streaming with tears in no time. He writhed, moaned, and tried to fight, though she held him easily and just spanked him harder when he resisted.

After a few minutes, he broke down into sobs and relaxed, and she used the ruler on him 15 times, saying he deserved more than Bethany for not cooperating.

When it was over, both kids were feeling ashamed and glum, their bottoms tingling with warmth. Jenny found

their docility amusing and made them each stand in separate corners, pink bottoms exposed, while she luxuriated in her new power.

No Help From Home

Randy and Bethany were sufficiently cowed to do whatever she said right then, but later they each complained to their parents with predictable dismal results. Neither mother believed her child, both convinced that their son or daughter had to have done *something* to deserve the spanking.

Mrs. Blaine was irritated enough to spank Bethany with a hairbrush, while Randy's penalty was even worse: he was told to ask Jenny for a repeat spanking the next day.

"I will examine your bottom when you get home," warned Mrs. Chapman, "and if your ass isn't beet red, your father is going to whip you with his belt."

Randy hated the idea of asking Jenny for another

spanking, but his father's leather belt terrified him, so he had no choice. He decided to get the spanking over with right away, blushing as he stammered out his request. He knew Bethany would get to watch, and that bothered him, but he was more concerned about the pain.

"Sure, I'll spank you," said Jenny, delighted by the proposal. "Get your pants and underwear down and get over my lap."

It was humiliating, but Randy had to obey. This time, Jenny spanked him longer and harder, and then she gave him 20 cracks with the wooden ruler to drive the lesson home.

The boy was embarrassed, but was glad that Bethany didn't tease him. Walking home later, she told him that she'd gotten spanked by her mother and wasn't in a position to mock him.

"I guess this means Jenny has total power over us," he said glumly.

"Yeah. But I think I'd rather get spanked by her than my mom or dad. They spank much harder."

"That's a good point. It's embarrassing being spanked by someone so close to our age, but her spankings aren't that bad."

Slowly the two got used to Jenny, though it wasn't without trials. She was quick to anger, and once she'd decided to punish you, arguing only made the spanking worse. Randy got a couple of corrections upgraded to the ruler when he forgot this. Bethany was more accepting, though she told Randy later that she thought it was odd

she got spanked almost as much as him even though she was better-behaved.

“She clearly enjoys spanking us,” concluded the tiny blond. “She uses any excuse.”

“She knows that we can’t complain to our parents as they’ll take her side, so all we can do is accept her spankings.”

This was the uncomfortable reality, though again the spankings were more embarrassing than truly painful. Secretly, each rather liked watching the other get spanked. It was not something you got to see often and both found it titillating, though the two were too young to know exactly what that meant.

A New Routine

After a rocky first few weeks, the young students settled into a routine with their new babysitter. But without them rebelling, there wasn’t as much cause for Jenny to spank. This frustrated the teen, as she hated babysitting and would have much preferred hanging with her friends.

The occasional spankings were the only thing that made the job bearable.

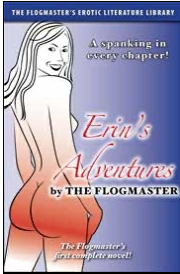

Her solution to this was to become even more strict, spanking for reasons that were almost silly. When Randy dropped his pencil, he was spanked. When Bethany closed a book too loudly, she was spanked. Neither dared argue, as that meant smacks with the wooden ruler. Both were becoming resigned and used to Jenny's spankings, so it wasn't that big of a deal.
