Great story. Few things better than a machine-spanking story.

Selected Excerpts

From *Disobeying the Kidnapper*:

When the jeans finally dipped below the undercurve of the girl's bottom and slipped down her thighs, Mickey almost came in his pants. He'd never seen anything so sexy in his life. The girl's body was so innocent and virginal, the ass smooth and plump, the panties a naughty sky blue thong that mostly disappeared between the mighty buns.

Even better, the peaks of snowy flesh were already blushing pink from the spanks and paddle swats the father had delivered, a factor that tripled the erotic nature of the near-naked teenage bum. With the paddle gripped in the hefty man's hand, it was clear what was about to happen, and Mickey drooled in lusty delight.

From *Peg*:

"Perhaps I ought to get your father's strap and give you a good hiding!"

"Perhaps you should," Peg said, not intimidated.

Mrs. Donovan went to the pantry and took the black leather strap off the wall. Usually, that was a sight to make Peg cringe or groan. This day, it made her cunt drip with anticipation. Her bottom tingled.

From *The Rebel*:

He paused and picked up the hairbrush. By then, her ass was tingling and warm. The cracks of the wooden brush were ten times worse than his hand. Lisa gasped. She shuddered. Then she began to struggle, writhing and kicking and twisting. She wasn't trying to escape, exactly, but she couldn't lie still. The pain of the brush was intense. Her bottom was small, so the brush didn't have much room for variation, and it felt like every spank hit the same general area. Lisa wept and pleaded for mercy. She swore she'd be good and never get a spanking at school again.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

When a rogue overhears a father spanking his teenage daughter, he just has to watch. When he's spotted, he tests the father to see if he can trust him. When the dad betrays him, he punishes the man by making him strip and spank his daughter. Then he has to kidnap the girl for insurance, taking her to his cabin in the woods. There he spans the girl, and they fall in love.

Peg

★ ★ ★ ★ , MMM/FF, F/F—Edgy, non- and semi-consensual caning, spanking, paddling, flogging, tons of consensual sexual activity such as blow jobs, anal sex, and intercourse

When a teenage girl, Peg, discovers she enjoys being caned, she's stunned to learn her mother has the same obsession, and begins to explore a new world of beatings, buggery, and boyfriends. After a birthday caning from Headmaster Symington, Peg convinces him to cane her mother, whom he knew as a student. He does so, but persuades the mum to enforce home discipline, which means a plethora of parental beatings for the teen. Peg's mother then trains Peg's boyfriend, Simon, in corporal punishment, demonstrating various techniques on Peg. Dell shows Simon how to spank Peg's bottom, thighs, and feet, and even suggests stinging her genitals. Peg, enjoying the attention, allows Simon to practice on her. But then Simon becomes the teacher and subjects Peg and her mother to a series of humiliating punishments. Peg invites Simon's football mates over for a wild night of sexual encounters, resulting in both her and her mother being spanked and sexually assaulted. Later, Simon seeks Peg's father's blessing to marry her, and is required to demonstrate his disciplinary ability by caning Peg in front of her father.

A new girl rebels against a school paddling, leading to harsh canings and other punishments. She begins a campaign to outlaw corporal punishment, which brings even more wrath down upon her. In the end, she finally realizes spankings are for the best.

Disobeying the Kidnapper

(★★★★, MM/f—Severe, non- and consensual spanking, paddling, strapping, switching, consensual sexual activity, nudity)

When a rogue overhears a father spanking his teenage daughter, he just has to watch. When he's spotted, he tests the father to see if he can trust him. When the dad betrays him, he punishes the man by making him strip and spank his daughter. Then he has to kidnap the girl for insurance, taking her to his cabin in the woods. There he spansks the girl, and they fall in love. (Approximately 14,041 words.)

The Spanking

Mickey hadn't intended to kidnap anyone. Like most things in his life, bad shit just happened to him.

It started with his car breaking down. Well, it wasn't

his car, exactly. He'd borrowed it. Without permission, if you wanted to get picky, but he didn't think of it as stealing. He'd leave it somewhere and the owner would get it back, so what was the harm?

But at least it had died when he was cutting through town to get supplies instead of in the middle of nowhere. Then he'd really have been screwed. Not that being stuck in a suburban nightmare of identical houses was a picnic. Normally he'd have just boosted another vehicle, but he noted the many "neighbor watch" signs and saw several old biddies peeping at him suspiciously behind curtains and he decided it was best not to draw attention to himself.

He figured he'd walk to a bus stop he'd seen and get to someplace civilized where folks didn't care what their neighbors did and find a car there. But then fate stepped in again and screwed him up the ass.

Mickey had a sixth sense for pigs and he saw the patrol car long before the cops saw him. So he slipped up an alley and made like he was visiting a friend, boldly going to the door and knocking. The car turned out to be just rent-a-cops, private security for the community, and he relaxed.

No one answered his knock, so he cut across the lawn intending to put some distance between him and the security guys. He was focused on getting away and not caring where he went. He was passing the front of a house when he heard the sounds.

There was a muffled slap that was closer to a thump

and then a girlish cry. “Daddy, ow! That hurts!”

“Get them down right now, young lady. You know I don’t spank denim.”

“Please, I’m sorry. I’ll never do it again, I swear! It was just the one time. I didn’t even like the taste.”

“Shawna, I’m not going to tell you again. Get those jeans down right now.”

Mickey could hardly believe what he was hearing. The girl’s voice was mature—not a child. He figured a teenager at least. His cock went hard at the thought. He looked up and saw an open window from an upstairs room. The sounds were louder in that direction.

“Okay, but not the paddle, please, Daddy? Just use your hand?”

“Who’s giving the spanking, me or you?”

“Oh, I can do it,” said the girl—Mickey could hear her smirk all the way outside—and then she squealed and there was another hearty *smack* sound.

“Ow! I was just kidding, Daddy.”

“Well, I am not. This is serious. Now get those jeans *off*.”

So faint Mickey wondered if he was imagining it, he heard the girl mumble, “I thought you weren’t going to tell me again.”

Apparently, the father heard it, for suddenly there was the noise of conflict, the girl’s panicked shouts of apology, and a whole series of loud smacks.

God, this is incredible, thought Mickey. *A genuine, real-life teen girl spanking!*

Now this was a gift that a man like Mickey couldn't just pass up. He had to get a front-row seat. So he sauntered to the front door, whipped out his lockpick, and in 27 seconds, he had the door open. The entryway was shaded under a porch, so he figured even if someone was watching, they couldn't have seen what he was doing. And he'd been fast enough a casual observer would have assumed he had a key. Even if a neighbor knew the residence, they might just think he was a visiting relative or he'd been given a key to water the plants while the people were out of town.

Inside, he looked for the stairs and found them off the kitchen. He was up two at a time, the carpet muffling his steps. It wasn't difficult to find the girl's room. He knew it was at the front of the house, and by the time he got to the second floor, she was making enough noise a deaf person could have located her.

"Ah! Daddy, no paddle, no paddle!" yelled the girl.
Boom! Whack! Thump!

The wood sounded meaty as it hit hard. Mickey's cock was a baseball bat in his pants. He could hardly stand it. He moved to the door that was ajar and peered around the jam. The sight was like something out of a porno.

An older man sat on the bed. He was potato-shaped and going bald, but he clearly had dominion over the slender, curvy figure of the girl. She was definitely a teen by her young face, yet physically mature, and absolutely fucking gorgeous.

Her face was narrow, her nose sharp, her lips sexy.

Her eyes were blue and glowed with intelligence and strength. Her hair was long and straight, not blond but a light brown, and it was fluttering everywhere in her writhing battle to escape.

What most intrigued Mickey, however, was the tight shirt that was stretched to bursting across two pear-like titties, and the painted-on navy blue jeans taut across plush globes that could have belonged to a college coed. They were tall and spacious, tight as drums, and as mobile as an escaped bunny. Mickey's cock positively ached.

The girl was half-sprawled across the man's knee, her bottom vulnerable, and every now and then the man popped his daughter's ass with a narrow rectangle of hardwood and scolded her.

"Smart-ass little brat!" he snarled. "Take this! And this! And *this!*"

At each pause he landed another terrific crack of the paddle across the crowns of the wiggling butt, the girl yelping in dismay and frantically apologizing.

"Ooh! I didn't mean it! I'm sorry, I'm sorry!"

"Now are you going to take down those jeans?"

"Daddy, please! I'm 15, I'm much too old to—"

Whack!

"Ah! Okay, okay, I will, I will!"

Mickey watched, incredulous, as the slender vision of a girl got to her feet and began to fuss with the clasp on her jeans. She whined and delayed, but eventually couldn't waste any more time. Her hips sashayed from

one side to the other, each movement corresponding with the jeans lowering by one inch.

It was several inches before he saw the top of her crack, an exciting vee that dipped between two gorgeous mounds of cream. The pants lowered further, and soon he was seeing the tops of her cheeks, the skin smooth and firm, the butt's roundness tight and thrilling.

Mickey thought he might just pass out. He was glad he could lean against the doorframe for support. He'd forgotten he was supposed to be invisible, but it didn't matter—the father and daughter were fully focused on their own drama. A bomb could have gone off in the street, and they wouldn't have noticed.

When the jeans finally dipped below the undercurve of the girl's bottom and slipped down her thighs, Mickey almost came in his pants. He'd never seen anything so sexy in his life. The girl's body was so innocent and virginal, the ass smooth and plump, the panties a naughty sky blue thong that mostly disappeared between the mighty buns.

Even better, the peaks of snowy flesh were already blushing pink from the spansks and paddle swats the father had delivered, a factor that tripled the erotic nature of the near-naked teenage bum. With the paddle gripped in the hefty man's hand, it was clear what was about to happen, and Mickey drooled in lusty delight.

"Please, don't spank me with the paddle," whined the girl, her jeans sliding down her sleek thighs. She looked over her shoulder as she spoke, her face as sweet as a

puppy's and just as irresistible.

"I told you, Shawna, *I'm* in charge of this spanking, not you. I promised you a paddling, and that's what you're going to get!"

The man slapped the paddle hard across the girl's ass. The pink-crested white flesh wobbled, and a terrific *crack* echoed around the room.

"Eek!" she screeched, hands flying to protect her vulnerable nates. She was on her toes, dancing, the juicy butt bobbing. Fresh pink spore spread over the skin.

This was too much for Mickey. His cock exploded, hot cream flooding his pants. It was both good and mortifying, relief and disappointment. He must have made a noise, for the girl looked up, her blue eyes going wide and her jaw falling open. She screamed, and it was a different sound than when she'd been spanked.

"Who— who are you?" she gasped, shrinking away from the door. Her father frowned, saw where she was staring, and glanced at Mickey. Then he leaped to his feet, shock and anger on his face.

"What the hell?" he bellowed. "What are you doing in my house?"

Disobeying the Kidnapper

(MM/f – Severe, non- and consensual spanking, paddling, strapping, switching, consensual sexual activity, nudity)

When a rogue overhears a father spanking his teenage daughter, he just has to watch. When he's spotted, he tests the father to see if he can trust him. When the dad betrays him, he punishes the man by making him strip and spank his daughter. Then he has to kidnap the girl for insurance, taking her to his cabin in the woods. There he spans the girl, and they fall in love.

Peg

(MMM/FF, F/F – Edgy, non- and semi-consensual caning, spanking, paddling, flogging, tons of consensual sexual activity such as blow jobs, anal sex, and intercourse)

When a teenage girl, Peg, discovers she enjoys being caned, she's stunned to learn her mother has the same obsession, and begins to explore a new world of beatings, buggery, and boyfriends. After a birthday caning from Headmaster Symington, Peg convinces him to cane her mother, whom he knew as a student. He does so, but persuades the mum to enforce home discipline, which means a plethora of parental beatings for the teen. Peg's mother then trains Peg's boyfriend, Simon, in corporal punishment, demonstrating various techniques on Peg. Dell shows Simon how to spank Peg's bottom, thighs, and feet, and even suggests stinging her genitals. Peg, enjoying the attention, allows Simon to practice on her. But then Simon becomes the teacher and subjects Peg and her mother to a series of humiliating punishments. Peg invites Simon's football mates over for a wild night of sexual encounters, resulting in both her and her mother being spanked and sexually assaulted. Later, Simon seeks Peg's father's blessing to marry her, and is required to demonstrate his disciplinary ability by caning Peg in front of her father.

The Rebel

(MMMMF/f, F/ff, f12/f – Severe, non- and consensual paddling, caning)

A new girl rebels against a school paddling, leading to harsh canings and other punishments. She begins a campaign to outlaw corporal punishment, which brings even more wrath down upon her. In the end, she finally realizes spankings are for the best.
