## **Selected Excerpts**

### **From *A Series of Unfortunate Spankings*:**

Her cries only drew the attention of her classmates. A few looked up and quickly called the others, and a deafening bang of wood against plump bottom flesh signaled to the world that a spanking was underway.

Charlotte, who'd been hogging the limelight outside by the pool, was suddenly second fiddle again. For a moment, she was outraged, but then she saw the beautiful golden-haired Nina's upturned bottom bouncing and bobbing to the tune of paddle spansks, and she was delighted, laughing with glee and urging everyone to gather and watch as though this had been scheduled entertainment.

### **From *A Spanking Life*:**

Already we were deciding that our time at Mrs. B's was going to be miserable with lots of spankings. Even at that age I was resigned to it and not particularly alarmed. Spankings were just a bad thing that happened, like stubbed toes and toothaches and sunburns. It wasn't all that clear to me then how to avoid them so I just shrugged and tried not to let them bother me.

### **From *The Chudderfield Loophole*:**

The entire community was upset with the ban. Chudderfield was a working class town with traditional values. Parents almost unanimously supported the cane. Nearly everyone spanked at home, but most relied on the school for day-to-day discipline. He'd heard from numerous single mothers who claimed to be physically incapable of punishing their own children properly. This was especially true of those with older boys, who might be taller and stronger than their mums, but a surprisingly number with daughters also wanted help. Many parents didn't have the aptitude or skills to discipline.

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

## **Spanked at a Birthday Party**

---

**N**ina thought of herself as luckily unlucky. This was because she was both lucky and horribly unlucky. Like the time she'd won a scholarship to a summer camp...

and then broke her leg biking and couldn't go. Or when she'd gotten \$100 for her birthday from her grandmother... and accidentally dropped the envelope with the cash in the fire.

Her whole life was like that. For instance, Nina had been born beautiful. Not just pretty, but extraordinarily gifted in face and figure. She was slender, but not without curves. Her curves were fantastic, in fact, even though she was not yet 18. Her face was stunning. She had the kind of look that made men—and even women—do double-takes and return to examine her a second time, certain they'd had to have imagined her wonder.

But this beauty, while beneficial in many ways, was also a curse. While many people were attracted to Nina and her appearance gave her quick social inroads, others were jealous or quick to judge, and many treated her with contempt.

Add to that Nina's wonderful ability to put her foot in her mouth or just be in the wrong place at the wrong time, and it was a perfect recipe for bad things to happen to a good person. At least that's how she liked to think of it. It wasn't her fault. She just had bad luck.

Many girls, for example, received punishments for misbehaving. Nina had little problem with that. If you deserved a spanking, it was fair that you got one. But in a balanced world, shouldn't the penalty be congruent with

the crime? In Nina's case, it often felt so much worse.

Take the time when she was 12 at a schoolmate's birthday party. The whole class had been invited; Nina hadn't wanted to come, but her mother had insisted. Nina didn't even like the girl, for Charlotte was mean and catty and always talked to Nina as though she was beneath her. This was probably because she was wealthy and Nina was not.

The party was fancy and Nina, though she had only her cheap K-Mart dress—cleverly enhanced with a few creative additions to make it more stylish—outshined the birthday girl. Nina was much prettier and everyone admired her outfit, which infuriated Charlotte, whose dress had cost the same as the GDP of a small island nation.

If there was true justice in the world, it would have been spoiled Charlotte who was upended and spanked for all the world to see, but that was not Nina's lot. Her good-bad luck meant that it was her reaction that was seen by all, not Charlotte's cruel provoking pinch. Fifty pre-teens and several adults saw Nina slap the birthday girl and half the block heard the blond's shrill shrieks and howls.

Nina's mother was telephoned and arrived in short order, while Nina sat in the corner, a pariah to all. If Nina had merely accepted her fate and gone home to take her spanking, all might have ended differently, but it's perfectly understandable that this wasn't her attitude. A spirited girl, she protested the injustice to her furious mother. Unfortunately, her explanation of Charlotte's

nasty words and pinch sounded like sour grapes—it also didn't fit the image of the birthday girl in her elaborate pink dress with a matching pink palm print on the side of her face.

“That's ridiculous,” said Nina's mother. “I've never heard anything so absurd in all my life. Even if it were true that's no excuse for *attacking* another girl!”

“But Mom, she was being a bitch—”

It was Nina's fate that at this expensive catered party, they'd served fancy appetizers—bite-sized pizzas—which were brought out on small wooden paddle-shaped platters. There were a dozen of these scattered about the living area and adjacent patio, and it just so happened that one was on the table near Nina and her mother. This one, other than a few crust crumbs, happened to be empty.

The thought made it happen. The woman spotted the convenient implement and immediately saw an alternative use. The board was just a foot long, plus a sturdy handle, and she snatched it up without hesitation. She planted one foot on a chair, hauled her naughty daughter over her knee, and flipped up the back of the girl's dress to expose Nina's skimpy white panties.

“Hey, what are you— No! Please, don't!” screamed Nina, as she realized what was happening. Her cries only drew the attention of her classmates. A few looked up and quickly called the others, and a deafening bang of wood against plump bottom flesh signaled to the world that a spanking was underway.

Charlotte, who'd been hogging the limelight outside by the pool, was suddenly second fiddle again. For a moment, she was outraged, but then she saw the beautiful golden-haired Nina's upturned bottom bouncing and bobbing to the tune of paddle spansks, and she was delighted, laughing with glee and urging everyone to gather and watch as though this had been scheduled entertainment.

Despite the hideous pain flooding her nether regions with each vivid spank, Nina was keenly aware that this wasn't an ordinary spanking. She knew she wasn't at home in the privacy of her bedroom, and she knew this wasn't a six-inch hairbrush paddling her rump, but a full-fledged slab of quarter-inch bamboo. This served to humiliate and pain her deeply.

Over a hundred astonished eyes gazed upon her thrust-up behind, the tiny cotton panties insubstantial and mostly disappearing between her pert little cheeks, revealing rounded buttocks now stained with reddening pink from repeated whacks with the paddle.

Nina screamed and kicked and flailed her arms, which did absolutely no good, for she was small and well-secured across her mother's bent knee, and there was no way for the girl to escape. Her bottom stayed right where it was, a perfect target for the foot-long board, which didn't miss a spank as it rose and fell in a steady, furious pattern.

Her mother scolded as she spanked, lecturing on respect for others, lying, attitude, and perhaps ironically,

violence. Nina heard little, her ears filled with the awful sound of wood blasting her ass, and the rest of her attention was devoted to blushing deeply as she could feel the entire party coming to a halt to watch her shameful discipline.

When the spanking had begun, Nina fully expected it to just be a few token swats to get her attention. She was positive that at any second her mother would stop, set her upright, and drag her home, and finish the chastisement there. But the paddle kept stinging her bottom, over and over and over, and after two minutes, Nina grew concerned that she'd misunderstood the situation. Was this her real spanking? Was she going to be punished to tears and beyond in front of all her friends and schoolmates?

This horror grew as it became reality, and soon Nina's sobs were from the shame as much as the pain. Everyone would know she'd been spanked like a child. Even those who hadn't come to the party, the younger or older kids at school, would hear the stories—probably exaggerated and enhanced to make it even more embarrassing—and everyone would be staring at Nina and laughing. This was so horrible Nina didn't know what to think. She knew she'd have to move away after this. She couldn't possibly go back to school on Monday. She'd have to move to a different county, probably a different state. Maybe even another country.

Gradually, the burning of her bottom became so intense that it dominated her thoughts. While she never

exactly forgot about her audience, they became less important than the fiery assault on her chubby little tush. She sobbed and begged for it to stop, but her mother was angry and didn't cease paddling her daughter until every inch of the girl's bum was cherry-colored. When her own arm was aching so much that she could hardly swing the paddle, she finally dropped it to the floor. The spanking was over.

Except it wasn't. A weeping Nina still had to go and bow before Charlotte and apologize for slapping her and disrupting her party. Nina wanted to run out the door to her mother's car and drive to Australia, but she'd been threatened with more paddling if she hadn't obeyed, so she had to humiliate herself and tell Charlotte how sorry she was for lying about her pinch.

None of this was remotely true, of course, but Nina's bottom was so hot and tingling so fiercely that the girl couldn't disobey. Then her mother apologized to Charlotte's mom, and Nina blushed to her ears as her rump was hand-swatted all the way to the front door and down the block to the car. She was infinitely grateful to be going away, but she couldn't help but weep when she thought of what Charlotte was telling the other girls and how they were all laughing at her expense.

At home, it was more scolding, corner time, and another spanking before being put to bed. This final punishment had been with the hairbrush on her bare bottom, her traditional method of discipline, and Nina was surprised it didn't hurt that much compared to the

bamboo board at the party. It was a learning experience that what she'd always thought was so terrible could be much worse.

## **Bloody Camp Spanking**

---

**T**his, of course, was far from Nina's last experience of discipline nor her most humiliating. Her whole life seemed to be an attempt to shame her even more than anything previous. As she went through puberty and became a woman, at least physically, she could not escape the many degradations that came her way.

There was the time at camp, her first away trip since getting her period, when she'd forgotten her tampons. Naturally, she needed them, but it was still such a new thing for her that she was too embarrassed to ask her counselor for help. Instead, she tried to "borrow" some from an older girl. She was caught rummaging through the girl's purse and accused of stealing money.

Nina should have admitted the truth, but at the time, it seemed easier to go along with the story. Except the camp director decided to make an example of her by

paddling Nina in front of everyone. Nina got to keep her red shorts on, for which she was grateful, but the paddle was large and hurt a great deal.

Halfway through the ordeal, as Nina sobbed and tried not to think of all those watching, someone noticed blood dripping down her leg. Then everyone saw the distinct pool of burgundy at the crotch of her shorts. Nina was mortified. The truth came out, and while the rest of her spanking was forgiven, everyone still got to hear about her private woman trouble, even the boys. If she'd been older, she'd have been able to laugh it off, but not at age 13.

## **Spanked at the Carnival**

---

**W**hen she was 14, Nina was finally allowed to go on her first date. Not alone, but as part of a group, with a chaperon, a college-aged girl named Chelsea who'd babysat Nina when she was younger. The boy she was with, Oscar, was a gawky, scrawny kid as tall as a flagpole, with pimples and braces. She didn't really like him, but he'd been the only boy brave

enough to ask her out, and she was so eager to start dating that she agreed.

The others were boys and girls from her class. She knew them all well, though only one or two were actual friends. They went to the carnival, which was in town for spring break, and at first it was fun. There was much to see and do, from rides to games to booths that sold fattening foods. But Chelsea didn't dare let any of the kids out of her sight, so the whole group had to stay together, and soon everyone was chafing at the restrictions.

There were grumbles and complaints, but naturally it was Nina who was singled out. Having babysat the girl and turned her over her knee for punishment on many occasions, Chelsea felt the most comfortable using Nina as an example to the others.

"I am in charge and if anyone doesn't like it, we'll all just go home right now!" Chelsea shouted. She glared at the four young couples, who all blushed and studied their toes. To punctuate her words with her authority, the college girl turned Nina around and slapped the back of her shorts. It wasn't a pat, but a genuine smack, loud even amid the music and noise of the carnival.

Nina's face went pink, her dark eyes wide with alarm. Her ears turned red as Chelsea went on, "Obey me or I spank you right here in front of everyone."

That should have been the warning Nina needed, but her good-bad luck was on steroids that night. Oscar

bought her heavenly cheesy pizza, which she ate and enjoyed despite the awful calories, and when they managed a few seconds alone in the funhouse, he tried to kiss her. Curious, she finally let him.

Her heart was tripping and her mind whirling with emotions as she felt his lips touch hers. It was electric, not so much because it was Oscar, but because it was a boy and her first time. She liked it. She *really* liked it. She felt alive, her body tingling *everywhere*. Her tiny nipples went hard and ached for a touch. Her breathing struggled, and she felt a longing between her legs that felt as real as wetness.

She kissed Oscar back passionately, feeling his body. Her hand fell to his bony ass, which she fondled and squeezed. She felt his stiff cock pressing against her. It shifted like a living thing, and the thrill was so great she wanted to scream.

Then she did scream as Chelsea grabbed Nina's ponytail and dragged the girl from the building. They took the nearest emergency exit, which dumped them out onto the side of the funhouse. The other couples gloomily followed, as strictly ordered by the chaperone.

Nina expected to be scolded, so she was shocked to suddenly find her shorts and panties around her ankles. She then got a close-up look at the gravel and dirt of the fairgrounds as she was draped across Chelsea's lap. The spanking was fast and energetic, and so embarrassing Nina had no words.

Chelsea was tall and lanky, a college volleyball star,

and her palms were like steel plates. She spanked with vigor and paid no attention to the gathering crowd. “Your mama warned me about you, you naughty little minx,” she cried, her hand rising and falling in a furious blur. Nina yelped and kicked and squirmed, her perfect little buns wiggling and wagging. The cheeks quickly turned virulent red, like smeared ketchup.

Those watching called and texted others, and soon there was a huge gathering. Nina had her back to them and could only hear and occasionally glimpse her audience, her face beet red.

“I’m sorry!” she wailed. She kicked her feet vainly, to no effect. She was held down just like she’d been a few years earlier, the last time Chelsea had babysat her. Her round buns swelled until she was certain she’d never be able to put her shorts back on, but somehow she managed, so desperate to hide her nudity she ruthlessly squeezed her ass into them.

Nina was so ashamed she couldn’t look Oscar or any of her friends in the eye. She just wanted to go home, but Chelsea wouldn’t let her leave on her own. “It’s everyone or none of you,” she said.

The vote was to stay, much to Nina’s dismay. She had to spend the next two hours blushing as strangers recognized her. She saw parents pointing her out to their naughty children, a warning that even big kids could be spanked. There were catcalls and rude words, men asking her to lower her shorts and show them her bare ass. Even women and girls taunted her, giggling and whispering, a

few insulting her with phrases like, “That’s what whores get!” and “Wag that tail, honey. Show them what you’ve got!”

Everything mortified the teen, whose face began to hurt from blushing so much. Even Oscar became embarrassed just being near her, and she noticed he was soon a few steps away, huddling closer to the other teens, as though she had cooties. That made everything worse for Nina, for she was alone.
