Random Praise for the Flogmaster's Writing

Writing in the first person very effectively communicates that she likes it!

S.B.G.

Two lonely people, both finding something they desperately needed, hope all works out for them both.

STR

I enjoyed the concept of having Caroline choose which cane would be used and her thought process in doing so, and also the additional twist requiring a follow up choice.

MY1

Love this story. It's adorable. Kinda wishing that's how I met my boyfriend.

B.J.T.

Intense. Those are some crazy numbers of strokes! :-o. Colleen was clever indeed to win that challenge.

R.S.R.

Wow, well OTT I must say, the dear Father certainly enjoyed himself and another meeting scheduled!

S.M.S.

How did it jump from 10 to 24??? Oh right... Flogmaster doesn't give out spanks unless there is an eye-popping number of smacks...

Selected Excerpts

From *The Babysitter's Revelation*:

Finally, she warned him. "It's bedtime, Jimmy! No more getting up unless the house is on fire, do you get me? One more time, and I'm going to put you over my knee and *spank* you!"

What red-blooded young man could resist a temptation like that? He had to find out if it was true. Was she bluffing? She was not. Jimmy found himself across Jessie's slender legs with his pajama bottoms dragged to his heels. He wailed in protest and shame. His ears and face burned. The pretty girl could see his bare heinie!

From *DeTeNTion Class*:

Of course, it was summer, with a reduced schedule, and the girls were restless and bored. It was tough going to school year-round like at Bleakwood, but that was no excuse for breaking the rules. Mrs. Clapp was going to do her duty and ensure that none of the four ever again thought escaping to a rock concert a valid idea.

She studied the four girls. They were all sinfully pretty and young. Each wore denim shorts and loose tops, for it was quite warm.

They're all about to get a lot warmer, thought Mrs. Clapp with a half-smile at her little joke.

From *The Bracelet*:

The girl brought in for the cane was a tall senior Ali's age of nearly 18. Miriam was a sturdy figure, with broad hips and a stout British bum that the headmaster joked could "take a sound beating and scarcely notice."

Ali got to see this rump in astonishing detail, as shortly after arriving the lovely brunette had to disrobe and place her nude self across the punishment trestle. She looked great naked, her body sleek with prominent curves.

She was bent in a shameful way that offered her bare globes up high. The cheeks didn't form a rude bubble, like Ali's ass, but were shapely and perfectly plump. They were perfect.

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME 116

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

The Babysitter's Revelation

(★★★★★, f/m, M/f—Severe, non- and semi-consensual spanking, paddling, strapping)

When a teenage babysitter delivers her first spanking, she grows up. She realizes she deserves discipline, too, and asks her father to paddle her. (Approximately 3,540 words.)

Jimmy was a bad boy. At least this night. His sitter was the hottest girl in the high school, the lovely Jessie Lincoln. She was 16, five-foot-three, 102 pounds, and a cheerleader. She had green eyes, a sharply pointed nose, and gorgeously white teeth. Her smile could have slayed dragons. *She had fucking dimples.*

For the tenth time, Jessie ordered Jimmy to bed. It was way past his bedtime, but he kept coming up with excuses to get up and talk to her. He needed water. He had a headache and wanted an aspirin. He was hungry. He had to pee. His toe hurt. His back itched. Did he have a bug bite?

Finally, she warned him. "It's bedtime, Jimmy! No more getting up unless the house is on fire, do you get me? One more time, and I'm going to put you over my knee and *spank* you!"

What red-blooded young man could resist a temptation like that? He had to find out if it was true. Was she bluffing? She was not. Jimmy found himself across Jessie's slender legs with his pajama bottoms dragged to his heels. He wailed in protest and shame. His ears and face burned. The pretty girl could see his bare heinie!

But he quickly forgot that as her hand slapped at his bottom. She wasn't kidding around. These weren't play spansks or friendly pats. These were Mom Spanks, hard blasts that stung like a whip. Jimmy squealed and begged and whined, but Jessie was firm. She'd grown up in a family that spanked, and she knew good discipline. Her own bare fanny had been well-tanned many a time, and though she'd always hated it, deep down, she knew it was for her own good.

She thought about that now as she watched Jimmy's little butt turn pink, scarlet, and then a rosy crimson that pulsed and glowed. She knew a spanking had to really

hurt, to go beyond mere discomfort, to sear into the memory and act like a deterrent. Anything else, and it was a bluff, a tease, a joke. It would have the opposite effect, telling the recipient that the penalty for sin was merely cosmetic.

Thinking this, young Jessie picked up the large wooden hairbrush and brought it crashing down on the chubby red cheeks before her. All of Jimmy's previous cries together couldn't have outweighed this new one. He howled like he was being burned alive. The brush *really* hurt. She spanked him with it soundly, extracting acoustics from the boy that were out of this world.

She put him in the corner, admiring the cherry redness of his sore bottom. He stood there weeping, humiliated and crushed. But then she patted his bottom gently and whispered that she forgave him. It was like a drink of ice water to a parched throat.

Jimmy threw his arms around his babysitter and apologized sincerely. "It's okay," he said. "I deserved to be spanked. I was being a disobedient brat."

She tucked him in and left him with her strawberry scent in the air. Jimmy sighed. His butt was blazingly warm, but no longer hot, and he fell asleep within a minute.

Downstairs, Jessie did not sleep. She had the TV on, the volume muted. It was an old sitcom rerun, and she could predict the jokes and one-liners. She wasn't paying attention, however. She was deep in thought.

She hadn't wanted to spank Jimmy. He was a cute kid,

awfully young, naive, and foolish. He didn't have a bad bone in his body. She could tell he liked her, something he barely realized himself. He'd just wanted her attention.

Over and over, he'd gotten out of bed after she'd put him down. She'd known early on that she should have spanked him, but she kept hoping he'd obey.

She didn't want this burden. She'd never had to spank any of her charges yet. Those two slaps to three-year-old Colleen Malcolm last week didn't count as a real spanking.

But Jimmy wouldn't stop. Eventually, Jessie had no choice. She'd threatened him, and he'd called her on it. If she didn't spank him, he'd never believe anything she said again. So she'd gotten the hairbrush, dragged him to his room, pulled down his pajama bottoms, and turned his butt beet red.

She'd been surprised at how it felt. At first, she'd sensed power and success, a triumph over naughtiness. She enjoyed seeing the boy's chubby little butt jiggle and turn red. She liked hearing his yelps and cries and sobs for mercy.

But the spanking went on for a long time. There was no choice. Jessie knew she couldn't stop early. She had to spank the boy until he realized the consequences of his misdeeds. The longer she spanked, however, the more sympathetic she became. Soon she was feeling a quake in her own bottom every time the brush crushed one cheek or the other. She knew very well how much a heavy wooden hairbrush stung a bottom and how the heat of

dozens of swats built up over time into an unbearable burn. It felt awful to have to hurt Jimmy in this way, but Jessie also knew it was the right thing to do.

During a spanking ten years earlier, she had once been told by her mother, “This hurts me more than it hurts you,” and little Jessie had thought that was nuts. The wooden spoon smacking her bottom was agonizing, and her mother wasn’t suffering at all!

Just about every time Jessie was spanked in the years after that, she thought of her mother’s comment, and it never did make sense. Yet while she was paddling Jimmy’s bare bottom with that hairbrush, the teenage babysitter had an epiphany where she finally understood her mother’s statement.

She felt dreadfully sorry for poor little Jimmy. She knew he loved her, and she adored him. It hurt her to hurt him. His pain might have been physical, but it was mild and temporary. The ache in her heart would last forever.

It was a tough thing to spank a kid. She’d never dreamed that. Spanking seemed much easier than being spanked! Yet now that she was delivering her first-ever spanking, she was feeling guilty. She had to harden her heart and keep going, to do her duty, and punish the boy the way she knew he deserved and needed.

While this moment takes a long time to describe, all these thoughts flashed through Jessie’s mind in just a few seconds. She wrapped up Jimmy’s paddling with a final few hard whacks and put him in the corner to cry himself

out.

When he stopped shuddering, which was just a few minutes later, she wrapped him in her arms and told him it was over, that he'd taken his punishment and was forgiven. She almost cried herself when he hugged her back, apologized, and admitted he'd deserved the spanking. It was almost like he was thanking for her paddling him!

She thought of this now as she sat before the TV she wasn't watching. Though she'd been spanked many times and they'd all been fully deserved, Jessie had never once *thanked* her parents for stinging her butt. It had never even occurred to her. After all, *she* was the one who'd suffered.

But now that she'd spanked, she was seeing the event from a different perspective. It was hard to spank, and she didn't get much gratitude. At least little Jimmy had been adorable as he said he was sorry and asked her if she still loved him.

"Of course I do, you little rascal," she'd said, mussing his hair and kissing him on the cheek. "You're a good boy, deep down, and I will always love you." She'd patted his bottom and tucked him into bed and watched him fall asleep with a sweet smile on his face.

She could recall being tucked in herself after a spanking, and it had made her feel so warm and loved. She'd still been sore and unhappy about being spanked, but even if she was angry, she knew her parents loved her, and she couldn't stay mad.

Once Jimmy was asleep, there was little for Jessie to do. She had homework, but it was simple stuff and didn't take her long. Her mood didn't suit watching TV, and she didn't even feel like listening to music. She certainly didn't feel like going online and doing anything on her phone.

Instead, she checked on Jimmy several times (he was always sleeping peacefully with that same cherubic smile) and thought about her own spankings. She was now seeing them in a new light, that was for sure.

Already, there was a gnawing at her insides. She kept trying to push it away. It was like that sound in the basement you knew you needed to investigate, even if it terrified you, and even if you knew you shouldn't go there. The more Jessie pushed it away, the more it wanted to dominate her thoughts.

Finally, she couldn't stand it. She had to think about what she was trying not to think about. The pit in her stomach told her that deep down, she already knew what this meant. She just didn't want to admit it to herself.

A few weeks ago, Jessie had gone to a party with a boy. This was not a party she'd have been allowed to go to if her parents had known. The parents of the host were out of town, so there had been no adult supervision. There had been drinking. There had been drugs. She had stayed away from both, but she knew her parents would have said that didn't matter, that she shouldn't have been there.

They also wouldn't have approved of her date. For one

thing, they were supposed to know anyone she went out with, and she hadn't introduced Brian to them. For another, he was much older, a senior, already 18. He also had a record. He'd been arrested twice, once for fighting and once for stealing. He claimed it was minor stuff, but Jessie doubted her parents would have thought that.

So instead of asking for permission, Jessie had gone to the party on her own. She'd lied about staying at a friend's house that night. If she'd been caught, Jessie had known she'd have been severely spanked. But it had worked. Her parents had been none the wiser.

The party itself and Brian hadn't been as cool as she'd expected. He'd been a jerk, flirting with other girls, and the drunkenness of the others had turned her off. People were hooking up in the spare bedrooms, and she'd been repulsed. She'd left early. She had actually gone and stayed with her friend in the end, not that doing that negated her original lie.

She'd gotten away with it. She'd been surprised. For a few days, she kept expecting the hammer to drop, that somehow her parents would figure it out, but they never did. It was weeks ago now, but Jessie still felt guilty. She'd known she'd done a bad thing, and she hadn't been punished.

Now that she'd spanked Jimmy, Jessie was thinking that he wasn't the only one that deserved a spanking. The thought terrified her. A spanking for what she'd done would be severe. She really didn't want such a hard spanking, but she knew she deserved it. A spanking

needed to push the boundaries and go beyond uncomfortable to be truly purifying.

This was the thought she didn't want to think, but in the quiet as she waited for the Colms to return from their outing, it wouldn't leave her, and she knew what she had to do. It would be difficult, but she needed to go to her dad and confess, and ask him to spank her.

Around 11 o'clock when Jimmy's parents returned home, they found the bubbly babysitter rather subdued. She was polite and assured them everything had gone well, but she was quieter than usual.
