## **Selected Excerpts**

### **From *Brat Gets the Stick*:**

Her knickers were minuscule, a tiny scrap of wedged between the cheeks of her bum. She rotated, admiring her rear in the mirror. It was a glorious backside, tall and fleshy, two thick mounds of smooth skin as pale as cream right from the cow. She could already picture the juicy globes pink from spanking or crisscrossed with half a dozen of the best weals from Ian's rattan cane.

Ashley wasn't sure why her ass turned her on so—she guessed it had something to do with femininity. Only a woman could have a bottom like hers, with curved hips and cheeks that wobbled when she walked.

### **From *Sometimes AI Is Helpful*:**

The girl was slim with a cute face and brown curly hair. She was wearing gray sweatpants that revealed a pert and saucy bottom just begging for his attention. The group of still frames the system had sent him showed the girl from behind from several angles, each delicious. The side profile indicated a bubble butt, while the three-quarters angle showed delicious curves.

Kent might have been old and old-fashioned, but there were some things that didn't change. A beautiful girl was still a beautiful girl, and a round, shapely bottom was still sexy and fully deserving of a sound spanking.

### **From *A Surrogate Mother*:**

Harriet harrumphed. She brandished the bath brush in Sophie's direction. "I will treat your bottom the way I just treated Rose's. A sound, bare bottom spanking is what you and your selfish, spoiled generation need, young lady."

"Yes, ma'am," Sophie said politely, pulling on her dog's leash in her haste to escape this crazy lady.

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# Brat Gets the Stick

(★★★★, M/F—Severe, consensual spanking, paddling, caning, sex)

A brat is naughty for her man. (Approximately 3,336 words.)

**A**shley grinned wickedly as she picked up the scissors and began hacking at the denim. This was so naughty even she could scarcely believe she was doing it. Ian was going to be furious! She couldn't stop smiling in delight at her imagination of his face.

Her scissors weren't really made for tough cloth, so the new hem she created was as ragged as a wound. Threads hung down in clumps, but she liked the effect and didn't bother to trim them off.

When she posed in front of the mirror with the new

shorts against her thighs, however, she blushed. Her demolition of the jeans had been even more dramatic than she thought. They came down barely below the crotch, and if she put them on, her arse would surely show.

Of course, that was the entire point, but the daringness of the move sent icy chills through her and made her heart race with passion. She was *such* a bad girl!

Her knickers were minuscule, a tiny scrap of wedged between the cheeks of her bum. She rotated, admiring her rear in the mirror. It was a glorious backside, tall and fleshy, two thick mounds of smooth skin as pale as cream right from the cow. She could already picture the juicy globes pink from spanking or crisscrossed with half a dozen of the best weals from Ian's rattan cane.

Ashley wasn't sure why her ass turned her on so—she guessed it had something to do with femininity. Only a woman could have a bottom like hers, with curved hips and cheeks that wobbled when she walked. Titties were sexy and unique to women, too, but there was something about the bum that was special. Getting those globes smacked was like nothing else.

With a deep breath, she stepped into the newly created shorts. They fit, of course, because the jeans had been molded to fit her body. The difference now was that the pants ended before her bottom did—as she'd expected, the new hemline was well above the base of her base.

Despite being an attractive young woman of 23, Ashley was not an exhibitionist. She didn't normally dress provocatively. She felt exposed enough clothed, so standing there in jean-shorts so cropped that her ass hung out below was quite embarrassing.

She leaned forward, her back to the mirror. Slowly the inch or two of exposed cheek swelled and became four and then six. All that white, unblemished flesh had her drooling with excitement. Surely Ian was going to thrash her silly for this.

Ashley knew she was odd. Most people avoided spankings. Here she was trying to *get* her bottom smacked! But the prospect of punishment turned her on like nothing else. The humiliation, shame, and pain all mysteriously aroused her. The sting of the cane was hellish agony, yet even in her suffering she was thrilling at the experience of another sound spanking.

She hadn't been caned in school. That had been banned ages ago, and Ashley's parents had rarely physically punished her. She was a good girl, at least on the surface. Deep down, she knew she was hopelessly naughty and deserved smacking.

Curiosity had led her to discover scores of old books about schoolchildren who did naughty pranks and adventures and often got themselves caned in the process. The stories made caning seem routine and the kids themselves talked about it so casually that Ashley longed to live in those days.

Finding Ian had been like winning the lottery. On

their very first date, he'd accused her of being a brat, and she couldn't deny it. She stuck out her tongue at him and then her bottom, and he gave her rather decent smack. Most boys only playfully tapped her butt, afraid of scaring her off, but Ian Surcock wasn't like that. He spanked her for real, and she loved it.

That evening she had ended up across his knee for a proper smack-bottom, and the sex afterward had been absolutely glorious. Ashley knew she'd found a real man.

A few months and a dozen thrashings later, she moved into his flat. The unsaid stipulation was that he had the right to spank her any time he wanted. He took royal advantage, and hardly a day passed without her bum tingling from a dose of something. She thought she might get bored or tired of having a sore tush, but the opposite proved to be the case. The more she was beaten, the more she wanted to be beaten.

Ian had introduced her to the slipper and leather strap, leaving her bottom red-hot and throbbing. He'd caned her, just a few strokes at first, but soon full-bodied cuts that left genuine weals across her buttocks. It was wonderful.

They'd been together for three years now, and Ashley loved the way he loved spanking her. He was so strict that he never let her get away with anything, though she kept trying. Failure meant a stinging bot, but she was fine with that.

She'd burn his toast, come home late, spend his money, spill his beer, and spend the evening naked with

her nose in the corner and her bottom crimson or covered in vivid stripes, with the promise of the hairbrush at bedtime. He'd make her hold it between her teeth so she couldn't forget more was coming, and if she dropped it, she'd get six with the cane.

Some nights she spat out the brush on purpose, regretting her impulse when the rattan left her poor bottom smoking ruins. The bedtime spanking was always much worse than she expected, leaving her in tears and so turned on that she'd out-fuck a professional whore.

Ian loved her ass hot and tender and kept it constantly warm. If she didn't give him an excuse to spank her, he'd find one of his own. She preferred a reason, for the more the punishment was deserved, the better she enjoyed it.

Ashley was in the kitchen when he came home from his boring job at the insurance company. He set down his briefcase and stared in awe at his beautiful girlfriend. She had her back to him at the sink and she was wearing scandalous jean shorts. The bottoms were so short he could see several inches of pale bottom globes below the hem.

"Just what is the meaning of this, Ashley?" His voice was steel.

"Oh! Mr. Surcock. I didn't hear you come in," she lied. "Please don't be mad: I didn't do my homework and my teacher had to smack my bottom."

Ian's eyebrows rose. He recognized that Ashley was playing a role and his cock hardened. He loved these sorts of games, in part because they always ended with the

brunette naked across his lap and her bottom roasted red.

“Young lady, you know what getting spanked at school means,” he growled.

“Yes, sir. ‘Spanked at school means spanked at home,’” she sighed.

“Correct. And what are you wearing?”

“It’s warm so I turned my jeans into shorts. Aren’t they fantastic?”

“You cut them too short.”

“I did?” Ashley made her voice sound particularly playful. “Oh dear. What can I do? I can’t uncut them.”

“You’ll have to be punished.”

“Oh no!”

“Into my office right now, young lady. Get those disgusting shorts off!”

Ashley thrilled at the sternness in her boyfriend’s voice. He sounded even more upset than she’d imagined. She shivered as she walked, feeling his eyes laser-focused on her ass. The buns quaked and rocked under the tight confines of the denim. She’d never been so aware of her bottom and she loved every second of it.

In the guest bedroom with the Murphy bed, was a small desk set near the window. Ian’s laptop was here along with a collection of recent correspondence, bills, and so on. Though the room was small, with the bed raised, there was plenty of room for the use of any implement Ian desired, even a three-foot cane or a long whip.

Once in the room, Ashley began to plead for mercy.

This wasn't her begging, of course, but her alter ego, the naughty girl who'd chosen to be too daring with her wardrobe.

"Please don't spank me, sir," she whined. "I'll never do it again, I swear!"

"I gave you an order, young lady. Obey me now, or it'll be even worse."
