A well written story and good variance on the robot story theme. Very enjoyable indeed.

JG

A fascinating tale, I can see Jill having an exciting and fulfilling albeit occasionally painful career. Nicely done!

CPN

Monique's caning is very vividly described!

RN

Cute story. I like her change of perspective from hating the birthday spankings to deciding she likes them.

BLY

What a wicked good story... the boy was clever.

B.T.

I would like to think that Suzy will mature into a true "bubble butt" and that others will have the duty to rectify her behaviour.

R.D.

Flogmaster always is a master at describing punishments. This is one of his best.

Selected Excerpts

From *Albrecht School*:

I found myself at the front of the room for a spanking. I don't even remember what I'd done—it might have been a grade thing, but I got six pops, so it was a bit severe for that. Whatever it was, the important thing was that I was being paddled, and I knew Chris was watching. Instead of being afraid or ashamed, I delighted in it. I strode up to the front and thrust out my bare ass with all the wantonness of a whore. I kept wishing my butt were bigger.

Then Mom—er, Mrs. Albrecht—stepped up next to me and smacked my left cheek really hard. It stung madly, and I gritted my teeth and tried to pretend it didn't hurt. I could feel the burn spreading down my buttock, and I imagined my skin getting all red as the heat widened. It was painful, but I wasn't really paying attention. I was thinking about Chris and wondering if he was watching and what he thought.

From *The Cute One*:

He let her stew in the corner for ten minutes to increase her agitation, while he took long, admiring glances at her nude form. Eventually, he said, "I've been thinking about your lie. It may seem minor to you, but lying is the start of all evil. I won't cane you for it, though. Just a little spanking."

"But sir, I didn't lie!"

"Now *that's* a lie. I shall have to spank you twice, now."

From *The Schoolgirl on the Bus*:

Karl gasped. He wasn't sure which was the greatest shock. The girl wore no knickers. Her bottom was bare. Her bottom was also marked with half a dozen bright ruby bars of fiery color. These crossed her rump from left to right, with the marks darker and deeper on the far side. This was one expertly caned bum!

**VOLUME 118

contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Albrecht School

(★★★★★, F/fm, m/f—Severe, non-consensual spanking, paddling, strapping)

A girl grows up in a remote home school. (Approximately 6,311 words.)

Daily paddlings are almost mandatory at the Albrecht School. They aren't usually very bad—just a few swats on your bare tush in front of everyone—but most of us get spanked several times a day. There once was an arrogant 17-year-old blond girl named Anna who managed to go a whole day without being whacked. She was smug about it and bragged to everyone. Mrs. Albrecht heard and in a jiffy had Anna's skirt

up and panties down and warmed that girl's ass good and red, "just because." After that, we all knew that paddlings were inevitable no matter how good you tried to be.

I should know: I'm Gracie Albrecht, the youngest of six, and my mom runs the school.

I suppose, technically, it's not really a school. It's just a group of kids my mom has collected over the years. She started out with just our family, added a few cousins, and then some children of neighbors and friends, and it grew from there. Now she has a dozen paying students, and we call it a school because that's what it feels like to us.

We live in a remote part of Alaska. I won't say where, exactly, because we like our privacy. It's not technically an island, but it feels like one because we're so isolated and there's a lot of water around us. You can get here by land, but it's not easy. Boat or plane is much more common, so we don't get many visitors. Our community does have a "real" school, sponsored by the state, but hardly any kids go there. It's not much different from my mom's school: just one overworked teacher with a few volunteer parents helping out and all the grades in one large room. Most kids around here are home-schooled, as families are pretty close-knit and self-sufficient.

Parents like my mom's teaching methods. Not only is she an excellent teacher (she's got a master's in English literature and even published a couple of critically

respectable but low-selling novels back before she got married and ended up out here), but she believes in strict discipline, which around here is considered a good thing. At the state school, it's pretty much chaos all the time. Here, we learn more in a month than those kids do in a whole year!

That's natural when your butt is on the line. We actually *study*. Mom isn't mean, but she is strict, and she has very high standards. Any grade less than an A is a swat per grade level, so even B's earn you a spank. That's for homework assignments. Quizzes are double, and tests triple. An F on a test is extremely rare around here.

The paddle is also used for any sort of misbehavior: talking out of turn, disobedience, roughhousing, and so forth. That stuff is rare, though. Tardiness or unexcused absence are probably the most common non-academic reasons for being spanked.

The paddle Mom—I mean, Mrs. Albrecht (I'm supposed to call her that in school)—uses isn't that big. It's about the size of a hardback book, just enough to cover one cheek for older kids, and is a quarter of an inch thick. It's solid and burns intensely, but it's not that heavy, and the pain fades quickly. Three or four pops is stingy but survivable. You really don't want more than that as it starts to hurt.

When you've done something wrong, Mrs. Albrecht calls you to the front of the room—the school is in a retrofitted basement, so it's one large area—and you have to bend over in front of her desk. If you're a boy, you drop

your pants. Girls have to raise their skirts. Then Mrs. Albrecht takes down your underwear. The paddle is always used bare butt. It hurts more and is embarrassing, but Mom says it's also safer: she can see how much damage the board is doing to your skin and she can spank a different spot or concentrate on the other cheek if one side is getting too tender.

For the smaller kids, the paddle is big enough to cover both cheeks, so she stands to one side and swings the board horizontally. But for most teens, it's only good for one half, so she stands right next to you and slams the paddle down vertically so the tip with all the momentum is crashing into the base of your ass. Sometimes it even strikes your upper thigh, which is awful.

Since she's only striking one cheek instead of two, she spanks us bigger kids a lot harder and is generous with the quantities she dishes out. At age 14, I'm a lot more likely to get six or eight swats—three or four per side—whereas a nine-year-old would just get a total of three. That's for something minor, like speaking out of turn. For something more serious, such as an incomplete homework assignment or a major tardy, I'd get ten or more.

Our school has kids of just about all ages, though the youngest tend to be family. It's a bit far to be sending really young kids on their own, though sometimes we get one that comes with an older brother or sister. In general, the ages are about 11 to 18, with the bulk of us in the mid-teen range. Regardless of our age, we're all subject to the

paddle. Mom insists upon that. She won't take a kid that won't be spanked. That's only happened once or twice as far as I know. Most parents around here not only accept my mom's methods but encourage them.

Some of the big kids get pretty hard paddlings. I used to think mine were bad until I saw my older siblings and big kids from town getting it. Not just five or six pops, either—a dozen or even two dozen at a time. Now that really reddens a butt!

Generally, Mrs. Albrecht's penalties are pretty reasonable, but if you're old enough to know better, and especially if she's had to spank you for that offense before, you'd better watch out. I remember one girl named Alex that was 18 and sturdily built. She was really pretty with striking jet-black hair and remarkably blue eyes. I always sort of looked up to her, mostly because she seemed so brave to me. She was late all the time. Not every morning, but at least a couple of times a week. She claimed she had trouble waking up, and Mom (sorry, I mean, Mrs. Albrecht), basically told her that if she was late—even just one minute—she'd be getting 24 with the paddle. Alex accepted that, and just two days later, she was late again.

I watched her nonchalantly shrug and make her way to the front of the room. She bent over, and her butt seemed huge to me—so broad and thick, like a big white pumpkin—and Mom went to town. She really put her arm into those spansks. With many of us, she just lets the weight of the board do the work, but with Alex, she

actually swung hard. And she went fast: *bam, bam, bam*. I knew how much that thing burned when you got several spanks in a row, and I was cringing just watching.

Mom gave Alex spanks in sets of six, switching cheeks after each set. Alex never cried or even yelled. Most of us were pretty tough, though the young ones couldn't help but tear up, but I doubt I could have remained so calm for two dozen hard whacks like that. It was all over within a minute or so, too. One moment Alex was showing us her snow-white butt, and the next, her ass was bright red and looked really sore.

Fortunately for her, Alex was a decent student and generally well-behaved in other ways, so she didn't get spanked more than once a day too often. Like most of us, she might get a few warning pops for a weak grade, a good reminder to study, and even those hurt if that happened on a tardy day. But I did see her a few times get two dozen in the morning and then really screw up in the afternoon and earn herself another 24 or even 30—and boy did her ass get red then!

For reasons I didn't know then, I really liked watching Alex get spanked. She was so pretty and she took the spanking so well, tough and without complaint, and she had such a big, beautiful bottom, all bouncy and white, that I loved to see her paddled. Because of her problem with being tardy so often, her dose was more severe than most, which made it special. It was fun. At least for me.

Prior to Alex, I hadn't really thought about spanking in a positive way. Either I was getting it myself—not a

happy occasion—or I was watching one of my brothers or sisters or fellow students get it, and initially those just reminded me that my own ass was vulnerable. Sure, there were times when someone I didn't like got it and it was sort of fun to relish their pain, but even then I felt guilty. For some reason I never felt guilty about Alex: she accepted her fate with such mildness that it was as though she didn't mind it. I even once had the idea that she *liked* it. Of course, that was ridiculous. Or so I thought at the time.

Sadly for me, Alex graduated. I heard she went down to California for college and I'm not sure what happened to her after that. But through her I'd acquired an interest in spanking, though I wasn't even aware of it as such. Even before she left I'd started noticing others being spanked.

There were a few boys in the school, and they got spanked just like the girls. I suppose that should have seemed odd, but it was just so normal that none of us thought about it that way. It was embarrassing, definitely, especially to the older kids. Of course, you couldn't be blatant about watching another's spanking, and you certainly couldn't mock another for getting it—that was a guaranteed way to trade places with the person and have your own bare ass pointing at everyone while the paddle turned it red.

Though I was interested in boys sexually, seeing them spanked wasn't very interesting. I suppose it didn't seem very manly to me. Watching a big, strong 18-year-old

young man trying to hold back tears as his ass is blistered just isn't sexy to me. Also, guys' butts are too small and solid to be very interesting during a spanking. I guess I really like the vulnerability and submissiveness of a woman. Watching a girl's big butt paddled really got me excited.

At 14, I was too young and naive to know that was about sex. I liked boys, not girls, so it didn't even occur to me that my interest in girl bottoms being spanked was sexual. But I liked the size and shape of girls' asses, and seeing them red and hot was incredibly sexy. The unusual thing was that I then translated that arousal into certain boys that I had crushes on.

It was when I was 15 or so—about a year after Alex had departed—that I even began to gain a modicum of pleasure in my own spankings. Prior to that, I tried to avoid them at all costs, for they were awfully embarrassing and sometimes quite painful. But my own bottom was developing. I wasn't as shapely as some of the bigger girls I knew, but my butt was getting bigger, and it was nice and round. I started to pretend it was as big and full and sexy as Alex's.

At the time, I had a major crush on a boy named Chris. He was two years older than me, tall and lean, very handsome. I'd been trying desperately to attract his interest, but he was aloof and ignored me. I assumed he thought me too young. I remember thinking that if only my butt were as big and sexy as Alex's, he'd like me.

Shortly after that, I found myself at the front of the

room for a spanking. I don't even remember what I'd done—it might have been a grade thing, but I got six pops, so it was a bit severe for that. Whatever it was, the important thing was that I was being paddled, and I knew Chris was watching. Instead of being afraid or ashamed, I delighted in it. I strode up to the front and thrust out my bare ass with all the wantonness of a whore. I kept wishing my butt were bigger.

Then Mom—er, Mrs. Albrecht—stepped up next to me and smacked my left cheek really hard. It stung madly, and I gritted my teeth and tried to pretend it didn't hurt. I could feel the burn spreading down my buttock, and I imagined my skin getting all red as the heat widened. Then she gave me a second, and then a third. That told me she was a bit peeved, as usually she was more merciful and alternated cheeks. I then had to endure three hard wallops to my right side. It was painful, but I wasn't really paying attention. I was thinking about Chris and wondering if he was watching and what he thought.

Afterward, when I made my way back to my chair, I passed his desk. I gave him a smart-alec grin and a wink, as though the spanking hadn't been a big deal at all. I saw his look of surprise and curiosity, which told me he'd noticed. I'd gotten him to see me!

That started a trend where I purposely got myself spanked just to catch his eye. I tried not to do anything seriously bad, just little things, but I sort of developed a reputation as a Bad Girl. Since that seemed to impress Chris, particularly with my mom being the teacher, that

was fine with me. Though my ass certainly paid a stiff price!

Mrs. Albrecht, of course, wasn't too happy with my new rep and became more strict with me. In fact, she one day decided that if I was spanked at school, she'd reinforce the lesson with a parental spanking at home. I knew that happened to some other kids, but she'd never done that before. So basically, that meant I got two spankings every time I misbehaved. Not good.

But having Chris notice me was far more important than a trivial thing like an extra spanking, so I didn't change my behavior. I did work harder to keep my faults minimal, so the spankings wouldn't be as bad, but that was tricky because if I did the same minor thing too often, Mom would spank me harder as a repeat offender.

Some of those home spankings got severe, too, for Mom would use a wooden hairbrush, and I'd be over her lap for quite some time. I usually concentrated on imagining that Chris was watching and liking what he saw, and sometimes I even enjoyed the spanking, at least the first few minutes when the pain wasn't too bad.

The problem with Chris was that he was dating a girl his age. Samantha was blond, disgustingly pretty, and looked like a virgin, though everyone knew she wasn't. She wasn't a real bitch, if I'm honest, but she was close. Her parents had money, and she tended to look down on "poor" people like me and my family. I really hated her.

She was cute, though, with a terrific fanny. It was one of those tiny butts shaped like a bubble. It was very deep

with a profound crack between the cheeks. I started having fantasies of seeing her *really* get spanked hard.

One day I stole her math homework when no one was looking, and she was paddled hard when she didn't have it. Being an older girl of 17, her rump was smacked a good dozen times. I enjoyed it, but Sam was surprisingly tough, and she didn't seem too bothered. She was more annoyed about the missing paper, which she was certain had been in her math book.

I should have made the connection that day, but I was too into my schemes of revenge. Instead of noticing Chris' reaction to his girlfriend getting spanked, I plotted to get her walloped really hard.

After some research, I decided it was too difficult to get someone in severe trouble. There just weren't that many serious crimes. Like maybe I could frame Sam for cheating, but an offense that major would be investigated thoroughly, and my setup would have to be perfect. That sounded complicated.

Much easier was just getting Sam spanked several times in one day for minor offenses. That would add up to one seriously sore southern end, I concluded, which was the whole idea. The tricky part was getting all those things to happen on the same day.

It turned out to not be that hard after all, however. One advantage of a small school is that we're all in close quarters, so we're essentially all into each other's stuff. It wasn't hard to find Sam's watch while she was in the shower after sports time. I set it back six minutes—short

enough that she hopefully wouldn't notice. It was equally easy to hide a cigarette in her bag and a rude sketch of my mom naked, getting spanked by a male stick figure with a huge naked cock. I drew it with my left hand so my style wouldn't be recognizable.

The next day, Sam showed up late. It was just a few minutes, but my watch trick had worked. She thought she had more time than she had and dawdled. She got a great bare bottom spanking to start off her day.

Then Mom got wind that someone had contraband. I tricked a few of the younger kids into thinking they'd seen drugs in someone's bag. I was all, "What was that? Did you see that? That looked like drugs in that bag, didn't it?" By the time I left the kids alone, they were convinced they'd seen it. Mom overheard them whispering, but the kids couldn't remember exactly which bag had the drugs. Mrs. Albrecht decided to do a surprise bag check. That happened a few times a year, and it had been a couple of months since the last one.

It was beautiful. Sam confidently let her bag be searched and was stunned when the cigarette and the sketch of my mom were uncovered. She protested her innocence, but at Albrecht School there's not a lot of bureaucratic overhead. When Mrs. Albrecht decides someone needs spanking, they get spanked. There is no appeal.

She got two terrifically hard spankings, for both possessions were considered improper. Sam hadn't been caught actually smoking, nor was there proof she'd made

the pornographic drawing. That spared her worse, but she still got two 24-whack paddlings.

In between Sam's spankings there were about five other punishments, for the bag check had unearthed a few other illegal items. One boy had a joint which got him a major paddling as well as a parent-teacher conference, which meant he'd be getting a whipping at home.

But I hadn't been certain any of these ideas of mine would work, so I'd actually plotted a few more spankings for Sam. It was just my luck that *all* of them paid off.

The dog poop hidden in Mrs. Albrecht's desk drawer could have been left by anyone—but Sam was the one caught throwing away a poop-stained tissue. She said she'd just found it in her coat pocket and didn't know what it was except that it was gross, but that was enough evidence to be found guilty. She got another 24 whacks and her butt was starting to glow lavender!

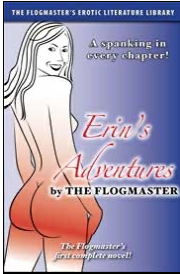

Then she once again had "lost" her math homework and she read the wrong chapter in her history class and flunked the pop quiz. That got her chubby bum roasted ten times, as failure added an extra set of double swats to the penalty she got for not getting an A.
