## **Selected Excerpts**

### **From *French Class*:**

When Ms. Cappellini finally got back to me, it was to drag me over her knee for a second spanking just as long as the first, before escorting me back to class with a throbbing butt and a raging boner and no chance to regroup in the bathroom before I was thrust in front of my giggling classmates.

### **From *The Girl in the Mirror*:**

The sting of the cane brought the girl back to the present, her bottom on fire as another line of burning blossomed across her ass. She shrieked and writhed, but managed to maintain her composure just enough to not earn herself an extra stroke. This was not her first thrashing, and her father had taught her well.

She re-gripped the hood of the car and endured the painful sixth cut. Now her small 15-year-old butt felt like it was completely covered with throbbing stripes, but she still had the two penalty strokes to come. Why hadn't she obeyed her father immediately? She knew from experience that once he'd decided to cane her, nothing she could say would get her out of it—it was far better to cooperate. Delaying or protesting just got her extras.

### **From *Three Naked Girls*:**

Parker naturally took her first, catching her raised wrist and smoothly drawing her across his lap. He sat on the nearby bench and with her bottom up, proceeded to slap those mighty buns every which way to Sunday.

Her friends watched in awe, while Esther squirmed and tried to pretend it didn't hurt, not wanting to further shame herself by weeping. Parker was a strong man of 26, however, and he slapped hard. Even with just his hand, he made the spanking count, and Esther was panting heavily and her eyes were wet when he finally let her up.

# *Twelve of the Best*

*A superlative collection of  
the Flogmaster's best erotic spanking stories*

**VOLUME 120  
("SCHOOLGIRL")**

*This collection of the Flogmaster's best writing  
contains stories dealing primarily with the  
corporal punishment and discipline of minors  
(usually female) by adults or peers, though  
some stories may contain sexual activities.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# Carnival Girls

**(★ ★ ★ , F/f5—Severe, non-consensual paddling, caning, consensual sex)**

Private school girls sneak off to the carnival to party. (Approximately 870 words.)

**T**hey were different. It wasn't their appearance. Physically, they all looked like disgusting sluts in their tiny shorts and skirts, tight jeans, and skimpy tops that would barely contain their full breasts. But five of them were subtly changed, slightly subdued.

Sure, they giggled and bobbed with all the other girls at the carnival. They turned their backs to boys, pretending they didn't notice them, but it was all just a ploy to show off their full, round, juicy bottoms while they

waited for the roller coaster ride.

Jana kept dropping her sunglasses and having to leisurely stretch down to pick them up. Christy, the blond, kept fiddling with her long hair, combing it with her fingers. Elle scratched her ass, while Inez, whose ass was the deepest of them all, kept plucking her tiny shorts out of her bum. Then there was Shelby, who seemed so worried about her boobs popping out that she failed to notice her miniskirt had ridden up to show half of one pink buttock.

They were just normal sluts out for a night on the town, but a little more desperate. You see, these girls were different. They were Crawford girls. That meant two things. One, that they'd been cooped up at the school for months and were as horny as bullfrogs. Two, this particular outing was unsolicited and highly forbidden, meaning it would cost them dearly. That meant they were triply desperate to make it worth their while.

After an hour of ogling and following the girls around, several boys stood out from the pack. These were the most confident, most buff, and most handsome of all at the fair. They had names like Rex, Cliff, and Rondo. They were studs, and they made their move.

Panties were removed, torn, and tossed. Condoms were unwrapped and hastily put on. Voluptuous figures rolled in the grass behind the hot dog stand, fucked standing up in the portable toilets, or did it doggy style in one of the empty horse stalls near the pony ride. One lucky girl managed to do it twice at the top of the Ferris

wheel, while the machine was paused to repair a minor mechanical issue.

The five stumbled back to school in the wee hours, disheveled, hungover, and as happy as kittens. No doubt they tried to be subtle, but they were in no condition to be sneaky. The tiny bathroom window could barely accommodate their slender forms, their voluptuousness making their entry problematic.

Shelby whined when her boobs were pinched as she tried to squeeze through, and Inez actually fell through onto her ass with a loud thump. Jana cursed when she stubbed her toe, and Christy wished she'd brought hair clips as her long tresses kept snagging on the rough window frame.

By the time they were all inside, giggling much too loudly, Ms. Crawford was waiting for them in the corridor. Her expression was grim and grew even more foul when she saw their condition. The girls smelled of cheap beer, sweat, and sex. She was livid.

Sighing at their ignoble fate, for this outcome had been almost guaranteed, the crew made their way to the principal's office. There, shorts, skirts, and jeans were dropped. Three pairs of panties also fell. Shelby and Christy had mysteriously misplaced theirs, much to their chagrin.

Crawford produced the heavy oak paddle and set to work. Jana's saucy seat took the first five blows, each deafening and so firm they nearly knocked the girl over. While she waited, panting and blinking back tears,

Christy took her five to loud shrieks of pain. Elle grunted and said little. Inez was similarly stoic. Shelby made a terrible fuss, rising up twice and earning two extra shots.

Then the five licks were repeated. This time the fannies were a vivid pink when the paddle landed, and every spank hurt more. Crawford wasn't appeased, however, and announced a third round. The girls couldn't argue. They'd broken more school rules than they could count. If they were spanked all night, it would be fair.

After the fourth sequence of five swats, all the butts were raw and blistered, the color of cranberries. That was when the principal ordered two of the girls to touch their toes once more. Christy's glossy blond hair hung onto the floor as her big bottom was flogged with a long rattan straight cane. The rod was as flexible as a politician's promise, and every one of the six cuts stung like a whip.

Shelby was given the same additional penalty for losing her underwear. Crawford School valued the moral reputation of its girls.

"Off to bed, ladies," called the founder's stern voice. "I hope your minutes of pleasure were worth it. We'll discuss the rest of your punishments tomorrow."

Elle gasped, and Shelby wailed. Even Jana looked rather ill at this news. "There's more?" moaned Inez, a hand caressing her overfull buttocks, which were as maroon as blood.

"I hardly think one little spanking is sufficient for your crimes," laughed the principal grimly. "You'll be lucky if you can sit by Memorial Day!"
