Frightenly realistic writing. Well done.

And I thought he was cruel, until the end of the story.

I like the concept of the core ... and what a fascinating glimpse into a future world of spanking.

So glad you chose Lizzie McGuire as the subject of your story.

This is quite a piece.

Selected Excerpts

From *A Riding Lesson*:

Phyllis had a good figure for a girl of nearly 17, lean and trim, fit from all her riding. Her bottom was especially nice, twin globes of pert curves, as solid as the flank of a horse. Her underpants were thin and too small, almost entirely hidden within the narrow crack of her ass. Phyllis wore these on purpose on riding days, for she hated the panty lines that showed in her jodhpurs, but now her nearly bare bottom produced giggles from her classmates.

Miss Davis gave a stern glance at the room to silence the others, and then proceeded to “wake up” the inattentive young lady. The *thwack* of the slipper sole was as loud as a gunshot and echoed around the room, followed by Phyllis’ strangled cry of pain.

From *How Many Spankings?*:

“Where are your knickers, girl?” cried Ms. Plaid, astonished.

“I dunno, Miss,” mumbled Joselyn, a response that didn’t endear herself to the teacher.

“This is outrageous. We cannot have such scandalous behavior. I’m giving you *six* strokes, and you can go explain yourself to the headmistress!”

“But Miss—” gulped Joselyn in dismay, only to find herself pushed back over and a thin, pliant cane whipped across the peaks of her rounded bottom. With no knickers to cushion the blow, the bite was stronger than usual, and the vivid pink line that was produced was instantly visible to all.

From *Trouble In Triplicate*:

Cara stared at her father in astonished horror. He couldn’t be serious, could he? She’d been so worried that she might get *one* spanking and now she was definitely getting *three*? This was a nightmare.

"Please, Daddy, that isn't necessary. I'm sorry. I learned my lesson. I'll never do it again."

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME 122

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes.
(Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Riding Lesson

(★★★★, FFF/f—Severe, non-consensual slipping, caning, cropping)

A girl's eagerness to go riding gets her in trouble.
(Approximately 3,105 words.)

Phyllis was having a day. She had been so excited because it was a Wednesday and she had her riding lesson scheduled. But as the time drew near, she was so distracted, dreaming of Wind Runner, that she wasn't paying attention in class.

Miss Davis suddenly called on her, with a voice sharp enough to penetrate the teen's reverie. "If a triangle has two angles that are the same, what does that mean, Phyllis?"

The pretty blond girl sat up, her face blushing. She

had no idea what the teacher was talking about. “That it’s a right triangle, Miss?” she answered tentatively.

“You haven’t been paying attention, have you, Miss Field? Come up to the front and meet my slipper.”

Now Phyllis was alarmed and horrified. “Oh no, Miss, please! I was paying attention, I swear. I just... don’t remember what you call that kind of triangle.”

“Front of the room!” snapped Miss Davis, and Phyllis had no choice but to obey. The woman had her slipper out and it was big and ominous, with a tough black sole that was thick and hard.

Almost crying already, Phyllis shuffled to the desk and leaned across, her bum to the class. Her red face grew even more red when the schoolmistress flipped up the back of the teen’s skirt, exposing snug white knickers.

Phyllis had a good figure for a girl of nearly 17, lean and trim, fit from all her riding. Her bottom was especially nice, twin globes of pert curves, as solid as the flank of a horse. Her underpants were thin and too small, almost entirely hidden within the narrow crack of her ass. Phyllis wore these on purpose on riding days, for she hated the panty lines that showed in her jodhpurs, but now her nearly bare bottom produced giggles from her classmates.

Miss Davis gave a stern glance at the room to silence the others, and then proceeded to “wake up” the inattentive young lady. The *thwack* of the slipper sole was as loud as a gunshot and echoed around the room, followed by Phyllis’ strangled cry of pain.

Twice more the teen's left buttock was spanked, the orb showing plenty of red and even track marks from the ancient shoe's tread, and then the teacher moved to attack the far side. Phyllis gasped as her right half was heated up just as badly, tears watering her eyes.

When it was over, Phyllis was sent to stand with her nose against the blackboard while holding up the back of her skirt so everyone could admire her well-spanked bottom. She was never given the chance to massage and comfort her sore cheeks, so they twitched and sizzled as she stood there crying softly and feeling bad for herself.

Miss Davis resumed her lecture on triangles, but once again Phyllis' mind was elsewhere. She was thinking of riding and how uncomfortable the saddle would be with her spanked bot bouncing up and down on the hard leather.

"So let's see if young Phyllis has been paying attention now," said the teacher suddenly. "Her bottom is certainly red enough!"

"Miss?" gasped Phyllis, turning to see what the woman wanted.

"An equilateral triangle has all sides the same length. So when only two have the same length, what do we call it?"

Phyllis still had no idea and hung her head in shame. Miss Davis was most displeased. The girl half-expected another slipping, but instead the teacher snatched a pink pad off her desk and scribbled a hasty note.

"Take this to the headmistress and we'll see if *she* can

get you to stop daydreaming in class.”

A moment later, her heart heavy and her eyes wet, Phyllis stumbled down the corridor. Her mind was whirling. The bell would ring in five minutes and then she would only have 15 minutes to change into her riding outfit and be at the stables. How long would this visit to Mrs. Thorton take?

St. Eleanor’s was an old school, with functions scattered among half a dozen buildings, not counting the stables. The administration offices were at the north end of the campus, close to the parking lot where visitors arrived. Before Phyllis could reach there, she’d pass right by her dormitory. What would be the harm in popping in and changing into her riding clothes before seeing the Head? It was right on the way and would only take a moment. Then she’d be ready for her lesson after her meeting.

The thought thought, Phyllis acted. She slipped into Dormitory B and darted up the stairs to her room. She’d already put out her riding things, so it was quick work to strip off her uniform and put on the new outfit. Getting the jodhpurs on over her still warm and tender bottom was an adventure that produced a grimace or two, and then Phyllis had to sit to put on her boots. But she was finished before the final bell and felt she’d achieved something. She hurried to the Head’s and arrived just before the bell jangled.

Mrs. Hale was about 50, with gray hair nicely coiffed and a stout figure. She was tall and energetic, with a face

that could shift from a politically expedient smile to a stern frown in an eye blink. Her expression did just that when she saw the pink note in Phyllis's hand.

“Not paying attention in class, Miss Field? Even *after* a slipping? I can see sterner measures are called for.”

Then the Head's eyes took in Phyllis's outfit. “Were you wearing that in class?” she demanded.

“No, ma'am. I changed on the way. I have riding lessons right after school. I didn't want to be late.”

The pleasant face of the headmistress went cold. “You stopped to change clothes on your way to see me?”

“It was on the way, ma'am. It didn't take but a few minutes.”

“I see. And that was your decision to make?”

“Well, I wasn't sure how long this meeting would take. I can't be late for riding. Miss Isaac has a zero-tolerance policy.”

“I see. Well, then I suppose I'd better get on with this. We wouldn't want you to be late.”

“Thank you, ma'am,” Phyllis said with relief, missing the woman's sarcasm.

“You'll need to peel off those trousers and your pants. I only cane on the bare skin.”

Phyllis gasped, horrified, her eyes going wide as she saw the headmistress reaching for an achingly long, thin cane. “Oh, not the cane!” she yelled.

“Why not? The slipper wasn't enough, so clearly you merit the cane.”

“But I have to go riding.”

“So?”

“So... so my, uh, bottom will be too sore.”

Mrs. Hale smiled. “That’s not my problem, is it? Now, pants down, please, and bend across my desk. Unless you want extra strokes that will no doubt delay your riding lesson.”

There will be no lesson if my bum’s all welted, thought Phyllis bitterly. But she also didn’t want extra strokes, so she got on with it.

Standing before the massive desk of the headmistress, Phyllis Field looked the epitome of young equestrian beauty. Her blond hair was done in a single tail down her back, leaving her blue eyes, white teeth, and pretty features exposed. Her white shirt was crisp and clean and tucked into her slender waist. Her jodhpurs were of fine burgundy, smooth and sleek, and they hugged her fine, posh bottom spectacularly well.

Unfortunately for the young lady, those trousers would be coming down for her beating, and the girl reluctantly peeled them off. Her minuscule panties barely covered any of her cheeks, but those, too, descended, with everything piling about around her calves at the top of her black riding boots.

Appropriately bare, the schoolgirl leaned across the desk. She’d been caned before, so this was not a new experience. She knew just how to reach for the other side of the table with her fingers, though with her modest height, she had to go up on tiptoe. The pose arched up her rump perfectly, the twin orbs spreading and jutting for

the thrashing.

Mrs. Hale, formidable in her dark dress and long, limber cane, stood to Phyllis's left and raised the rod. She considered the crime, the girl's record, the arrogance of changing out of her uniform on her way to discipline, and the shapely bottom before her and decided that Miss Field could use and undoubtedly deserved a good, sharp shock. The girl was strongly built, an excellent athlete, and as healthy as a horse. There was no harm in giving her a severe caning.

"Twelve strokes," announced the Head sternly, ignoring the girl's gasp and quick protest. "It would have only been eight had you not had the temerity to change your clothes on your way here."
