Random Praise for the Flogmaster's Writing

My, rather a special variation of the well-known dating game.

A.R.D.

My, that was an unexpected ending. Interesting!

I.C.

Wow, well OTT I must say, the dear Father certainly enjoyed himself and another meeting scheduled!

S.M.S.

I would like to think that Suzy will mature into a true "bubble butt" and that others will have the duty to rectify her behaviour.

R.D.

Birthday spankings are a nice tradition, that certainly should extend to boys as well as girls. When's Tommy's birthday again?

CLS

Excellent story.

STV

Yes, in San Francisco I could believe most anything like this could have an element of truth in it. But after combining sex, spanking and desert dishes, they would be in dire need of a shower before they re-dressed. This sounds very sticky!

Selected Excerpts

From *Crushed*:

Frankie didn't really listen when Tania talked. For one thing, she talked a lot. She wouldn't shut up. For another, even when he did listen, he didn't understand much of what she said. She was the type who'd laugh at her own unfunny jokes. She confused him. It was easier to just nod and play along and live in his own world.

But that backfired on him today. She was babbling on about something, and apparently, he spilled the jam all over their carpet. He hadn't been paying attention until she yelled. Then it was too late. His open-faced PB&J was facedown on the floor, grape jelly everywhere.

From *Itching to Spank*:

Mel's imagination was firing. She could picture the scene: Alisha, smaller but still cute and slightly plump, with a plush, round ass.

"Was it on the bare bottom?"

"Oh yeah. Dad was pissed."

"Wow," said Mel, but she was thinking about a young Alisha getting the strap on her bare butt. It was making her hot.

From *Movie Night*:

"You're counting your chickens before they've hatched, young lady. The way things are going right now, you'll be lucky if you even *have* a birthday, let alone get monetary gifts."

Holly gulped. Tears stung her eyes. She was both angry and terrified. It was so unfair that she couldn't even buy what she wanted with her own money. Her folks always had to approve any major purchase, and she knew they wouldn't let her spend such a ridiculous amount on something as basic as footwear. Getting her bestie Brenda to help her had been genius—except that somehow Mr. Wong had discovered the purchase and blown the whistle. Now Holly's butt was grass.

"Get the hairbrush," Daddy snapped.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME 124
("SCHOOLGIRL")**

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Chosen For the Job

(★★★★, M/Ff200—Severe, non-consensual spanking, paddling, caning, strapping)

A man is recruited by an old friend to head a private school for girls.
(Approximately 8,049 words.)

The idea was so ridiculous that I turned it down flat. “I’ve already got a job,” I said. “It pays well, and I’m happy. Besides, I know zip about being a headmaster. I was a business major, not education.”

“What’s to know? You’ve run businesses. Running a school is no different. You know how to deal with employees and bureaucracy. Handling parents is like handling shareholders.”

“Art, this has got to be a joke,” I said. “I’m a married man. My wife would divorce me if she thought I was going to be hanging around hundreds of teenage girls

every day.”

“Don’t forget the discipline.”

“Discipline?”

“That would be your responsibility. Spanking and whipping those saucy bottoms. It’s a tough job, but somebody’s got to do it. Why not you?”

“You’re serious?” I searched my old friend’s face for deception, and I saw only seriousness. “Corporal punishment? Is that even legal?”

“It’s a private school. The parents all sign CP waivers.”

“Shouldn’t you be looking at female candidates?”

“The board wants a man, Alex. It sends a message. The school is disciplinary, and having a headmaster is far more intimidating than a headmistress.”

“You’re crazy.” I tossed back my Scotch. “I can’t believe we’re still talking about this.”

“Just think about it. That’s all I ask. It’s on the coast, with a good salary and benefits, and you’ll get to smack bare bottoms every day.”

I stared. “Bare?”

He nodded. “I told you, the school’s disciplinary. The rich parents *want* strictness. No coddling. It’s the reverse of the ‘participation trophy’ trend that’s so prevalent in public education. These folks want their kids to suffer. They believe it builds character.”

After a long moment, he added, “Come on, Alex. You hate your job. You could do it in your sleep.”

“But I’m married. I’ve got a life here.”

“Just consider it. That’s all I’m asking.”

“Sure,” I lied. I knew the deal was too good to be true.

That night when I got home, Sarah was gone. Her note began with “If you’re around enough to even notice, I’m not here....” I didn’t need to read the rest to realize she wasn’t coming back. A part of me didn’t want to believe it, but this wasn’t a surprise. We’d been driving at 100 mph, ignoring the “Bridge Out Ahead” signs for nearly a year. At least we had no kids and a solid prenup that made the division easier.

I drank a whole liquor cabinet of booze and passed out. The next day, when my boss called, I told him I was on my deathbed and wouldn’t be in the rest of the week. He began telling me about all the critical deals going on. I hung up on him. Getting fired would be even better than me quitting.

Two days later, I called Art back. He was the head of the Cromwell Christian board, and his vote basically guaranteed I’d get the position if I wanted it.

“Tell me more,” I said. “And if this is some evil prank, I will pull out your tongue and make you eat it.”

“It’s on the level, I swear.”

Cromwell Christian was on the New England coast, 50 miles from anywhere. It was too far from the big cities for

tourists, and the beaches were short and difficult to access. There were better ones much closer to civilization, so that's where everyone went. No one had even heard of Crescent Bay.

This made it the perfect place for the rich to dump their inconvenient daughters. These were girls who embarrassed their daddies by getting into trouble. There was certainly little chance of impropriety in this wilderness. Not only was the school itself a walled fortress, but there was nowhere to go.

Crescent Bay had no nightlife, drug scene, or industry. The most dangerous thing there was Martha Stockton's seafood Eggs Benedict, served at her bed and breakfast just off the main highway. She liked to buy discounted shrimp. I learned that the hard way during my summer visit and spent more time in the john than at the school.

Art hadn't been lying. The school was full of 200 of the most gorgeous young ladies. I flipped through the yearbooks of the past decade and was amazed. The headmaster's office was even more exciting, with a cabinet full of punishment implements. There were paddles and canes and heavy leather straps. A wooden whipping horse was bolted to a stand in the corner.

Even then I was skeptical. But then he showed me the punishment logbook, completely with before and after photos. There were hundreds of pages of disciplinary notes detailing the punishments that had been administered. The pictures showed shapely bare bottoms, skin smooth and pale in the "befores," welted and

crimson in the “afters.”

These were not simple spankings, but severe corrections leaving a girl unable to sit for the rest of the day. I knew then I was taking this job.

My business associates were stunned I was leaving, not just my position but the industry, especially when they heard it was to become headmaster at a small private school. Though by school standards the pay was high, the year’s salary didn’t even cover a tenth of my annual bonus at my old job. Everyone thought I was crazy.

I wasn’t sure they were wrong, for I still felt out of my element, but my first week convinced me it was a dream come true. I arrived in mid-August and spent a few days learning the school’s history, procedures, schedule, and my various duties.

During my second week, I got to meet the prefects. These were student leaders, two from each class, plus one “head girl” who was chief of the other eight. While some had experience, about half were new to being prefects, having been chosen at the end of the previous school year. They all had to go through training, however.

Art showed up with Katie Myers, the Head Girl. She was a stunning blond, already age 18 and looking it, as mature as any college grad. She had a killer figure, a face that would melt a frozen heart, and a Type A determined personality. She was dressed casually in clingy black slacks, a white top that looked painted on, and tennis shoes.

“I’m pleased to meet you, Mr. York, sir,” Katie said,

practically saluting me. “Mr. Addison tells me you have minimal experience handling discipline. I’d like to volunteer myself and my prefects to assist you.”

“Assist me how?”

“Practice, sir. Our bottoms are at your disposal.”

I looked at Art in confusion, certain I had to be misunderstanding the girl. But then Katie did something amazing: she opened the implement cabinet, took out a solid mahogany paddle that was at least 20 inches long, and handed it to me. Then she turned and slipped down her pants and her panties, revealing the snow-white globes of her beautiful bottom.

It was a fabulous backside, round and sexy, with two sturdy buttock mounds. The cleft was an intriguing groove between the cheeks, and I could see her most intimate areas. When she bent over my desk, the buns bulged excitingly, showing me even more. The jutting orbs quivered as she waited for her spanking.

I didn’t need a second invitation. I stood and patted that peachy rump with the board. The wood hit with a meaty *whack*, and the girl’s delicate body shuddered, but she didn’t complain or run away. She held her position, butt out, and waited for me to continue.

After a few seconds, I did. The paddle had to sting atrociously, even if I wasn’t the most proficient. Katie’s pretty ass turned pink and glowed brightly. She was calm, though clearly suffering, gritting her teeth to get through the agony.

She hadn’t suggested how many licks I was to give

her, but she was 18 and a grown woman, so I figured ten was fair. Since probably half my swats were middling, it wasn't too severe. Her ass was becoming a lovely stop sign color when I finished.

"There, how was that?" I asked.

"Not bad, sir. You definitely improved. The last few were nice and hot. Might I offer a few suggestions?"

"Of course. I am here to learn."

"Don't hesitate. Swing through my butt as though it isn't there. Try to hit both cheeks evenly. That provides the most significant sting."

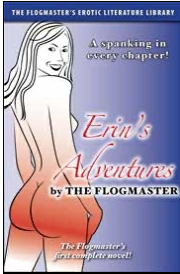

"I can try."
