## **Selected Excerpts**

### **From *Back to the Headmaster Again*:**

Carrie handed him the note with no explanation. He glanced at it and nodded. “You know the way.”

She certainly did. Down the corridor and around the corner was his study, which was eerily like his headmaster’s office at school. There were walls of books, a large desk, and a small fireplace in the corner. It was warm and cozy and should have been comforting, but struck the young lady with terrible fear.

The primary reason for this was no doubt the rack of canes on the wall, just like at school. Newbury put the note on the table and selected the top cane, which was longest, thickest, and most vile. Carrie watched him flex and swish the rod, dread bitter in her belly.

### **From *Made to Pay*:**

“How much do you want?” Sabrina said icily.

“You can’t buy your way out of this,” he said.

“What do you mean? What do you want?”

“You need to be punished.”

Sabrina said nothing. He couldn’t tell if she agreed or disagreed with his pronouncement.

“I have the perfect penalty,” he said with a crafty smile. After a long beat, he added, “The cane. A sharp, stinging thrashing like schoolgirls get. Except, of course, adjusted for your grownup age.”

### **From *Student Debt*:**

“You mean I can postpone my payment?”

“Yes, indefinitely. Though most people find the penalty unpleasant and are thus encouraged to pay.”

“What’s the penalty?”

“Corporal punishment. In short, a caning. A long, thin rod is rapped across your backside. The number of strokes depends on your debt, the amount you can pay, and other factors. If you’re interested, I can explain in more detail.”

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# Back to the Headmaster Again

(★★★★, M/F—Severe, non-consensual spanking, caning)

A girl is sent to a retired headmaster for a swishing. (Approximately 2,387 words.)

**T**hey lived on opposite sides of the ravine, back to back. Carrie made her way down the slope and hopped across the tiny creek that swelled in the spring but was passable in winter. It was already dusk, but she had her flashlight and knew the path too well.

She trudged up the other side and made her way to the back door of Mr. Newbury's home. She knocked and

waited. She was patient and in no hurry. The headmaster was long retired and it took him time to arrive.

He was dressed in his evening gown and looked both quaint and regal as he made his way to the door. He was tall and lean with a white mustache and fading gray hair.

“Yes?”

Carrie handed him the note with no explanation. He glanced at it and nodded. “You know the way.”

She certainly did. Down the corridor and around the corner was his study, which was eerily like his headmaster’s office at school. There were walls of books, a large desk, and a small fireplace in the corner. It was warm and cozy and should have been comforting, but struck the young lady with terrible fear.

The primary reason for this was no doubt the rack of canes on the wall, just like at school. Newbury put the note on the table and selected the top cane, which was longest, thickest, and most vile. Carrie watched him flex and swish the rod, dread bitter in her belly.

Since this wasn’t school, she wasn’t dressed in her uniform pleated skirt. She wore thin trousers, modern slacks of inky black that clung to her womanly figure. As always in this situation, the generosity of her backside was prominent in her mind. With a deep breath for courage, she slipped her hands in the waistband of her pants and pushed them down, including her tiny knickers. There was no point in drawing it out. Mr. Newbury only caned on the bare bottom, so she might as well get there as quickly as possible.

Bending across his desk, she felt her bottom rounding and the skin across her globes drawing taut. In this position and circumstance, she was keenly aware of her nakedness and of the size of her bum. It was all she could think about, along with *How many?* and *How much will it hurt?*

“Do you want the warmup smacking?” asked Mr. Newbury. His voice was deep and melodious, full of vitality and authority. Even at his age, it was still a commanding voice, one that if barked, netted instant obedience.

Carrie winced but nodded. “Yes, sir,” she said. It made no sense to ask for extra slaps, but experience told her that somehow it made the caning less vile. A thrashing on a cold bottom was absolutely agonizing; warm skin hurt more but stung less, whatever that meant.

She felt a hand on her back, holding her down. She didn’t need this assistance, but it was familiar and standard, and in a way, comforting. A hard palm rested on her smooth left buttock, and she waited.

The slap was vigorous and as shocking as being dropped into an ice bath. Carrie gasped and tried not to writhe. It was ridiculous to make a fuss over a mere hand slap, especially when she had a proper thrashing with a cane coming.

A matching smack to her right cheek had that mound stinging and pulsing, too. She could feel her opulent flesh wobbling as the force of the blows penetrated through her bum. She waited and after a few long seconds, the two

spanks were repeated.

Now her bottom felt warmer, an almost pleasant glow spreading across her naked cheeks. She could imagine the pinkness left by the palm, still faint, but gradually reddening. As more slaps rained down, her bottom wiggled, and she groaned. The spanking hurt.

It was embarrassing, but the truth. She couldn't count the number of excruciating strokes of the cane, slipper, paddle, leather tawse, wooden hairbrush, and other implements of correction her butt had felt over the years, but somehow it was this hand that bothered her the most. It was more personal, more intimate, and it seemed so kind and harmless. It was betrayal, that's what it was. Its very innocuousness made it burn all the hotter.

It was just six smacks to each buttock, but the slapping left Carrie heated. Her bottom tingled and throbbed, and she knew she was ready for the caning. This was when the real pain would begin. She bent lower, her breasts pressing against the solid desk. Her bottom thrust up lewdly, the skin glowing pink.

When the long cane tapped against her cheeks, she groaned. It already hurt. Mr. Newbury was an expert and knew how to extract all the potential energy from even modest strokes. He knew where to strike, how to pace the beating, and how to whip the rattan in for maximum sting.

*Swish-crack!*

The sound was as alarming as a siren. It reached Carrie's ears before the sting penetrated her bottom.

When the wave hit, it was an avalanche of feeling. Her jaw dropped, but she couldn't scream. It hurt too much. Why did it have to hurt so much? Why was she always stunned by the force and pain? She'd been beaten a zillion times. She ought to be used to this by now, but every time the agony hit her fresh and new, searingly hot.

There was a long wait for the second. Carrie remained in position, squirming and panting as the fire slowly ebbed. It felt like an hour passed while she was pressed against a hot stove. Just as she recovered—her mind telling her that only seconds had elapsed, maybe a minute, despite her feeling of much more—the rattan returned with another hissing bite.

*Swish-crack!*

“Ah!” Carrie gasped. Her bottom flared, and she felt the long line of pain stretch fully across both cheeks. It sank deeper and deeper, outrageously hot, some living thing eating through to her soul.

*Swish-crack!*
