Random Praise for the Flogmaster's Writing

If I could live out a fantasy, this would be it. OMG!!

I.C.

This is a very interesting concept for a story, well-delivered.

TKEE

Wow. Flogmaster, this is a striking surprise ending that left me dumbfounded.

C.P.

Well thought-out scenario of a fascinating dilemma!

R.M.O.

Wow, nice job. I think they need a man to cane them when they fail.

O.G.

Sounds to me like Scott got short-changed, but I am relieved that he did not get to act as the grand winner.

B.F.B.

A well written story which makes one rather envious.

Selected Excerpts

From *Apple Genius*:

She could feel Andy looking at her. She was wearing dark leggings that highlighted her slender figure. She was petite, just five-foot-three. She had no boobs to speak of, even with her pushup bra, and her face was only nice, not award-winning, but her ass was perfect. It wasn't big, but it was firm with two round cushions that jutted out excitingly. The curves were guaranteed to impress any straight males within a five-block radius.

Andy apparently qualified, for she could see he was intrigued. Though he was fiddling with her phone, holding down some buttons in an attempt to reset it, his eyes were drawn to her shapely bottom.

From *Hot Seat*:

"Tell me about this caning option," she said dully. "How severe is it?"

"Two dozen strokes," said Kapnick in a tone that indicated he thought it should be far more.

From *Pulled Over*:

"I'd better escort you home. If you're caught wandering like this, it'll mean another spanking."

"Can't they see my ass is beet red?"

I shrugged. "Could have been your daddy or boyfriend. Maybe you were naughty at school. A crimson ass is no proof of judicial punishment."

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Apple Genius

(★★★★, M/F—Severe, non-consensual spanking, paddling, consensual sex)

When a college girl tries to fool an Apple genius about how her phone died, he takes her home and punishes her. (Approximately 2,904 words.)

Carly entered the Apple Store nervously. She explained to the greeter that she had an appointment with an Apple genius. The young woman smiled and said, “You know you can check-in with your phone and it’ll notify you when someone is ready.”

“Actually, I can’t. My phone’s dead,” Carly said. Her face felt warm and she wondered if it was noticeable.

A pretty girl, she was usually bold and full of

confidence. But right now she was desperate. The previous evening she'd foolishly been using her phone while in the bathroom and when she'd gotten up from pooping to flush, she'd somehow dropped the phone into the toilet.

She'd stared at her pride and joy swimming with turds and thought she'd be sick. It took her a long time to get the courage to get it out, and then she'd run the phone under water for five minutes to get rid of all the germs. She'd washed her hands a million times, too.

But then her phone wouldn't turn on. It was completely dead. Then she remembered it was an older model that wasn't waterproof like the newer devices. She'd tried putting it in a bag of rice overnight, but nothing worked. She was fucked.

The phone was out of warranty and as a starving college student, she couldn't afford a new one. Her dad wouldn't help because this was the fourth phone she'd needed replaced. That was how she ended up with the old model in the first place—he'd gone cheap with her fourth replacement and told her if she lost or broke it, she was on her own.

The man in the blue Apple tee shirt that met her had to be ten years older than her 19. He said his name was Andy. He was cute in a geeky way, like a sexy accountant, if there was such a thing. He was scrawny and definitely no jock. He carried an iPad and confirmed her identity.

“How can I help?”

“It just stopped working,” she said, handing him her

phone. “It won’t turn on.”

“You tried charging it?”

“Sure. All night. It’s dead.”

“Hmmm. You didn’t drop it or get it wet or anything?”

“No, nothing,” Carly lied. “I know it’s out of warranty, but this is a manufacturing defect and should be covered.”

She tried to act casual, spinning around so she could look at all the exciting high-tech devices in the crowded store and he wouldn’t see her eyes and detect her lies.

She could feel Andy looking at her. She was wearing dark leggings that highlighted her slender figure. She was petite, just five-foot-three. She had no boobs to speak of, even with her pushup bra, and her face was only nice, not award-winning, but her ass was perfect. It wasn’t big, but it was firm with two round cushions that jutted out excitingly. The curves were guaranteed to impress any straight males within a five-block radius.

Andy apparently qualified, for she could see he was intrigued. Though he was fiddling with her phone, holding down some buttons in an attempt to reset it, his eyes were drawn to her shapely bottom.

She leaned against the blond wooden table, her butt thrust out, like she didn’t know she was showing off her ass. She pretended to be bored.

“It’s only five months old,” she told him. “Though it was previously used. I can’t think of what’s gone wrong. Please tell me you can fix it. I can’t afford a new phone and I *have* to have a phone!”

He nodded and went through some troubleshooting. The reset didn't work, but another gadget confirmed the device had power. He frowned and plugged the phone into a nearby computer. Still nothing.

"I'll have to open it up and look inside," he said. "I'll be right back."

Carly flirted with her cutest smile and nodded. Her heart was racing as her phone disappeared into the back of the building with the guy. She wasn't religious, and certainly didn't deserve God's help, but started praying the phone could be revived. She was already in debt up to her eyeballs, and the last thing she needed was another expense.

In the repair room, Andy didn't bother to open the phone. First, he opened the SIM slot and checked the liquid contact indicator. Sure enough, it was red. The phone had gotten wet. It was no wonder it didn't work. He was going to have to disappoint the pretty girl and tell her the phone wasn't covered by any repair plan. Her only option was a new phone.

Heading back toward her, he saw she was leaning against the blond table. Her round butt was sticking out, the two cheeks looking surprisingly pronounced for such a slim girl. He couldn't help but become excited. It occurred to him that the girl was attempting to scam him and the store. She'd specifically said there'd been no water damage.

"Are you certain you didn't get the phone wet?" he asked her.

“No, definitely not.”

Carly’s face showed innocence, and she seemed sincere, but he didn’t buy it. He shook his head. He showed her the red spot.

“This proves your phone got wet. It cannot be repaired.”

“What? But I didn’t, I swear!”

“Miss, trying to scam us is a criminal offense.” Andy kept his voice down low. “It’s stealing.”

This wasn’t really true, of course. The LCI wasn’t even that reliable of an indicator of moisture—a steamy shower could set it off. That probably wasn’t the case here, though, since the phone wouldn’t even turn on. If he had to put money on it, he’d guess she’d drowned the phone.

Since the girl didn’t know the test wasn’t definitive, he could strong-arm her. He could sense her desperation. The look of fear and despair on her face was priceless. He looked around and drew her to one side.

“Listen,” he said softly. “I don’t want to get you in legal trouble. Officially, there’s nothing I can do.”

“Does that mean unofficially you can do something?”

Andy nodded. “I get off in an hour. I’ve got a repair lab at home. I can’t guarantee anything, but I bet I can fix this.”

“How much?”

“No charge,” he said with a smile. “Just the pleasure of your company.”

Carly met Andy shortly after five, when his shift ended. She'd taken the bus to the mall, so he gave her a ride to his place in his Prius. He lived in an apartment complex just off the freeway. They were there in 15 minutes. Carly was so focused on her phone, she didn't even think to be nervous about going home with a stranger. Besides, he was an Apple genius. Guys like that didn't go around murdering girls. They certainly didn't drive hybrids.

His place was small but neat. The second bedroom, if it could be called that, was his home office. Half the room was full of monitors and computers, while the other half held a large table where Andy could work on equipment. There were several open computers and phones in mid-repair.

"I find a lot of broken stuff online and I fix it," he explained. She seemed impressed.

"Can you really fix my phone?"

"I can, or if not, I've got some similar phones I can swap it with."

"Really? Is that going to cost me?"

"Not in money," he grinned.

Carly went pale. She looked around anxiously, suddenly realizing her situation.

"Relax," he said. "I'm not going to call the cops."

"The cops?" Carly was confused.

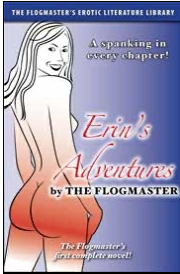

"For your attempted fraud."
