Random Praise for the Flogmaster's Writing

I love "first time" stories, though I prefer my spankers a little more compassionate, and less lascivious. But we can always count on Flogmaster for a highly-detailed, severe punishment scene. Poor girl, with another 16 coming tomorrow!

R.S.R.

A great description both of the undressing and the punishment. The detail was so good one could almost have been present.

M.T.

Interesting story.

CPN

Delightfully 'bizarre' story. We need more hypnotists like this!

P.K.

Great story with a real humanity about it. The relationship between the two of them was very believable.

N.R.

Ashley has had a very painful time. She will learn not to be so naughty

** OR WILL SHE?**

Gripping and exciting, quite a lot of tension in there, great writing, as always.

Selected Excerpts

From *Hot For Teacher*:

“What on earth has gotten into you lately?” she said with a heavy sigh. “You used to be one of my best students. This is the third time in the last two weeks you’re in here for the paddle.”

Amber shrugged rebelliously. “Can we just get this over with?” she grumbled.

Miss Charles crossed to the door to close and lock it for privacy. Then she faced her charge. “It’s going to be *ten* swats this time, young lady.”

From *Locker Inspection*:

There were no cigarettes or booze or even a vape pen. Flipping through her textbooks, he found no naughty sketches, notes, or dirty love poems. The girl was squeaky clean.

But he did have an ace up his sleeve for exactly this kind of situation. With her pushed aside and his bulk blocking her view as he rummaged, it was a trivial matter to slip the candy bar behind some books. Then he made a big show of removing the volumes and watching as the chocolate tumbled out.

From *The Revenge Game Isn’t for Pussies*:

Nora’s face flamed as the strict teacher rapped on the heavy door. “Just a minute,” came Bradley’s voice, following by several swishes and cracks of the cane. A moment later the door opened and the headmistress stared at the two.

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME 128

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes
(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')
A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Ballet School

(★★★★, F/f—Severe, non-consensual spanking, caning, paddling, voyeurism)

A man builds a ballet school so he can secretly spy on the students being trained. (Approximately 1,610 words.)

Dave surveyed everything he had built and was happy. It had taken two years of planning and a year of construction, but it was finally done. In just two weeks, the school would open, and the enrollment list was looking fine indeed.

There were huge questions about the financial viability of the project, but Dave didn't care. His uncle had left him nearly \$3 million. Sure, nearly twenty percent of it was already gone, but what better way to spend it than fulfilling his dream?

Everyone thought he was crazy. What kind of 55-year-old man, especially one who had spent thirty years in the construction industry, opened his own ballet school? Dave's father was convinced his son was secretly gay. Dave's friends thought he was having a mid-life crisis, but instead of buying a sports car, he was obsessed with teen dancers.

Only Dave knew the truth. He wished he had someone to share his genius with, but in today's political climate, he had to keep his real agenda secret. Super-secret. He'd actually considered following the technique of ancient pirates that would kill all the workers who buried the treasure so that only the captain knew the location of the gold and jewels.

Dave hadn't done that, of course. Instead, he'd done the key construction work himself. The crew had built the basic box and finished most of the insides, and then he'd come and made adjustments, moving walls to make space for hidden rooms and passageways behind. He'd also done all the wiring for the elaborate camera systems himself. It had taken six months longer, but it was safer. Only he knew the building's secrets.

He walked through the place one final time, testing all the hidden doors and cameras, double-checking that everything that needed to be invisible was. In the public areas, everything looked utterly normal. The training rooms looked like any other ballet school. The office of the ballet teacher was immaculate, and much larger and more impressive than Dave's at the other end of the

building. The girls' locker rooms and showers were perfect. The small auditorium for recitals was done. The lobby and waiting area looked elegant. Everything was ready. Dave could hardly wait.

The next day, Madame Zhelyazko arrived and began her preparations. She was a thin, narrow woman with a sour disposition. Her English was good, but strongly accented. She had zero social skills, for dance was her only obsession. To Dave, she was tolerable because he paid her considerable salary and had given her this opportunity.

It had taken him nearly a year to find her. She was in disgrace, working in a tiny studio in Minsk. Her reputation as a dancer was unsurpassed. The problem was that as a teacher, she favored old-fashioned, politically incorrect methods. In some circles, that was accepted, but she often went too far. Many claimed she was a psychopath, while others said she had no soul. Her former pupils usually refused to talk about her, either out of respect for her dancing ability or because reliving the trauma of Madame Zhelyazko's education was too painful.

She was exactly what Dave wanted. His proposal for a school of strict, exacting standards had pleased her. He'd given her free reign to run the school as she saw fit, within the guidelines he'd established, of course. She thought they were alike. Dave let her believe that. It wouldn't do to admit he had zero interest in ballet.

They'd already spent months going through the

admission list. There were still a few last-minute applicants, of course. Dave let Madame Zhelyazko and her assistants handle the auditions. He only made one contribution to the process: when the teacher wanted to reject a particularly beautiful blond doll of twelve who “had no talent and was too old to learn,” he’d insisted that she be accepted. He’d hinted that Lily’s father was wealthy and would be paying a considerable sum under the table, though that wasn’t at all true. The Russian, familiar with bribes, accepted that explanation.

“As long as he not expect she make ballerina,” she said haughtily, “it make no difference to me.”

“I don’t think he’ll care. He just wants her to have a hobby.”

“I be strict with her. No free pass because of rich daddy.”

“Of course not. All our students and their parents have signed corporal punishment waivers,” Dave said firmly. “You’ll have a free hand.”

And I’ll be watching, he thought with a wicked smile. He hoped pretty Lily was as bad as Madame Zhelyazko had said. The beauty would then be getting plenty of punishments!

The students were roughly divided into three age groups: the under-tens, pre-teens, and teens, though ability played a factor and therefore there was overlap. A girl of fourteen who was still learning might be in the preteens, for example, and a precocious youngster might be placed with older girls.

Each group of twenty girls was brought in for an orientation meeting in the auditions. There Madame Zhelyazko explained her standards and expectations of the girls, particularly her discipline policy. She walked everywhere with a thin leather switch and didn't hesitate to use it. Light lashes during practice sessions would be common. For more serious failures, the girls could expect the cane. She showed these implements—a smaller one for the younger students, and longer rods for the bigger girls. There were also paddles and straps and the slipper.

In a nutshell, those attending the Zhelyazko Academy of Dance could expect a sore bottom after every session. Most would be token punishments, mere warnings, but the Russian woman was not opposed to serious correction when warranted.

“I have special room by main studio,” she told the nervous but determined students. “It punishment room. No other purpose. If you sent there, you go nude. All clothing forbidden. This help you focus on punishment and announce to everyone you bad girl.”

Dave, who supposedly was disinterested in the day-to-day details of the school, watched these meetings on the big television in his sound-proofed office. He could switch between the stage view and the audience. He mostly focused on the twenty girls, all young and pretty, with faces showing alarm at all the talk of punishment.

He was delighted that his analysis had proven correct. Though apprehensive, none of the girls seemed particularly concerned. There was more determination

and fight in their expressions than worry. These girls were accustomed to suffering for their art, and if becoming a ballet prima donna meant suffering the occasional bare bottom caning, then so be it. It would be worth it in the long run.

Each orientation was concluded with the girls filing out in single file past the grim Russian lady. When each girl reached the woman, she would pause and touch her toes for a single stinging strike of the rod across her bottom. This was the girl demonstrating her acceptance of physical correction, and to give her a taste of what she'd be feeling if she was lazy or a poor performer.

The girls were all wearing leotards, so though the cane stroke wasn't on bare skin, it was with minimal covering. Dave watched all this with bated breath. He studied the faces of each caned girl to see how she accepted the pain, and he admired their fierce stoicism, for hardly a girl cried and not one refused.

Of this batch, one girl was kept behind. She was tall and slender, mature for her age, which he put at about 15. Her blond hair was pulled so tight behind her head that it was like a helmet. Her leotard showed off her full breasts, and he could see the fabric scrunched so tightly at her crotch and bottom that nothing was hidden.

But Madame Zhelyazko ordered the uniform removed because Marie was going into the punishment room where all clothing was forbidden. Though her face blanched and she looked like she'd just swallowed glass, she didn't hesitate to obey. Dave watched her strip on his

giant monitor and then switched the view to the punishment room once she'd gone inside.

The place was empty except for a flogging horse and a cabinet containing canes, whips, and other implements of correction. Marie obediently bent across the rounded horse from the side, presenting her flawless white buttocks for the rod.

Dave didn't know what the girl had done wrong and didn't care. Marie didn't question her discipline, either, indicating that she knew it was deserved. She held her position stoically as the rattan flashed and bit into her buttocks a full dozen times. Each lash was full force, Madame Zhelyazko holding nothing back. The weals on the snowy flesh were thick and dark, plum-colored, and the bum rocked back and forth in unspeakable agony.

When the punishment was complete, the girl stood. Tears stained her face, but she bowed and thanked the teacher for the beating. "I won't disobey again," she swore fervently, and exited to dress in her leotard.

Dave watched her and felt his fantasy had come to life. He now had dozens of pretty girls a day that he could watch being punished by the strict ballet instructor he'd hired to run his operation. With a hundred chastisements a week to admire, he wondered if he'd get accustomed to the sight of teens touching their toes for the cane or bent across a lap for paddling, and grow bored.

He doubted it.
