## **Selected Excerpts**

### **From *Dream Girl*:**

This couldn't be real. I knew it wasn't. It had to be a dream. No girl had ever approached me like this. At most, I get a glance or a coy smile, maybe a flirty blush. Triple-A girls dripping wet wearing nothing but a smile are not common in my world. This had to be a scam.

"Come on, take me," she moaned. "I'm going to come!"

Her hands roamed her body, gliding over plush curves of firm, naked flesh I could only imagine touching. She panted heavily, her tits rising and sighing with her gasps. Everything about her was perfect—too perfect. I found myself shaking my head even as my cock reacted stiffly.

### **From *Naughty Landlady*:**

Deep down, he knew his landlady was right. He'd fantasized many times about rushing over to Daniela, slapping that big, round, gorgeous heinie of hers, and telling her she needed to be with a guy like him that would treat her right.

But he could never do that. He was too reserved. He wasn't macho like that. Daniela would deck him if he slapped her ass.

### **From *Ordinary Woman*:**

She stood in the small bedroom upstairs in her faded jeans and green sweater, and he liked her shape. She was sexy in an understated way, and when the clothes came off, her body was lithe and lean, as limber as a sapling. Her small breasts were still firm and upstanding, her ass round and solid.

"Wow," he said, and she smiled.

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# Chosen for Flogging

**(★★★★, M/F—Edgy, semi-consensual public whipping, nudity, genital flogging)**

A rich prince chooses a girl for flogging. (Approximately 2,531 words.)

**P**rince Asad Saleem had taken over the entire top floor of the hotel, including the roof pool and deck. To everyone else, the area was simply closed, unless you were one of his entourage or security men.

He stood and gazed out at the miles of coastline and felt his superiority. The contrast between the blue-green water and the dry sandy land was inspiring. Out here, water was precious like gold, and seeing so much of it at once made one feel rich and invulnerable.

The hotel beach below was crowded with bikini-clad girls enjoying the lapping waves. There were fat men,

little boys, and families huddled under umbrellas to hide from the baking sun. Saleem admired all he saw.

He held out a hand, and as if reading his mind, a servant rushed over to hand him a powerful set of military-grade binoculars. They were compact but offered incredible magnification, and through them, the Prince could be in places he couldn't be.

Now it was like he was on the beach himself, an ordinary citizen on vacation. From hundreds of feet high and a quarter mile from the water, the figures appeared to him to be just a few yards away.

He studied the girls. Most wore so shockingly little it was scandalous. He saw brown bodies, white bodies tanned brown, black skin, the olive flesh of the Mediterranean, and those newly arrived from the West still as white as eggs.

By most accounts, the figures near the water were lovely specimens. The lure of the water, the nearby casinos, and the infamous nightlife of the city attracted the most beautiful from all lands. Just about any of the girls were in the top ten worldwide. Beautiful girls here were as common as the sand.

But Prince Saleem wasn't looking for the ordinary. His expert eyes sought out the extraordinary and usually found it. Like a bloodhound that could sniff prey from a mile away, he had an instinct for beauty that never failed.

Within seconds, he had dismissed 90% of the girls on the beach. He couldn't have explained why; there was just something not quite perfect about them. By the same

token, he couldn't explain why the most attractive were the most attractive. He simply knew diamonds when he saw them.

On this afternoon, he quickly settled on three girls. They were all young, around 20, and weren't together. He quickly eliminated the blond, who was flashy but had a dull expression of stupidity on her face.

The other two weren't much competition, either. The short-haired girl was gorgeous, but not quite special enough for the tastes of a man who had everything. The slender brown girl with the dark hair thrilled him like he hadn't been in years, however. He knew instantly she was the one.

Her swimsuit left little to the imagination. She was slender, with more modest breasts than he usually favored. Her skin was a golden brown that gleamed in the sun. Most striking were her buttocks, which were the shape of a bubble. It wasn't a large bottom, but the form was spectacular, with perfect globes as firm as melons. An inverted triangle of gray fabric clung to her waist with the tail between her buttocks, leaving most of the mounds bare.

"Bring her," he said. One of his men nodded, confirming Saleem's selection from years of experience. He knew the prince's tastes and had followed the man's gaze with his own set of binoculars.

"The one with the shiny bottom," he said, nodding. "Dark hair, smug expression. She could be Arab or Italian."

He snapped his fingers, and three men raced for the express elevator. Within four minutes, the men were on the beach, converging on the girl. They surrounded her, her expression bewildered, and ushered her toward the hotel.

A large woman inappropriately dressed in a black swimsuit seemed to protest, but only briefly. One of the guards blocked her. She watched the girl go. Possibly she was the girl's mother. No matter. She'd be paid off or threatened.

Prince Saleem turned to study the vast pool and rooftop courtyard behind him. There were perhaps a hundred naked or nearly nude girls frolicking in the water or lounging nearby. Any one of them could have graced the covers of a beauty magazine, but to the prince, they were as unremarkable as cattle. He watched the doors at the far end and waited with a touch of impatience.

Finally, his men emerged, the nervous girl between them. They strode toward him. The girl looked around in awe. She saw wealthy couples and rich men, dozens of waiters and servants fetching drinks and expensive food. Trays of shrimp, exotic fruit, and fine meats passed by her, and she was amazed.

But all of that nothing compared to the sight of the prince. He was dressed in white and stood tall and lean, though in truth, he was only of medium height. His shoes had lifts, and he chose security men and servants who were slightly smaller than him to give the illusion he was taller than he was.

His face, however, was regal. He had caramel skin and a fine beard, neatly trimmed. His eyes were dark and piercing, the kind that could radiate warmth or cold as the situation mandated. Right now, he was smiling benignly.

“Welcome,” he said. “I am Prince Asad Saleem.”

The girl looked like she might faint. It was unclear if she was terrified or thrilled, but she seemed to understand that she’d been selected by this man and knew what that meant. She bowed low before him, on her knees, her forehead pressed to the concrete floor.

“My lord, I am Farah Fayza,” she said. “It is an honor to meet you.”

“Rise, little one. You are very beautiful. Let me admire you.”

The girl rose. She suddenly seemed shy. Her smile was hesitant as she slowly rotated so he could admire her body. The binoculars had not lied; the girl was stunning. Her body was flawless. She was thin, but fit, with a firm athletic body. She had the leanness of a swimmer. Her breasts were almost flat, like cooked eggs on a plate, but her buttocks more than made up for that by jutting out in two perfect domes. With her modest hips, her butt wasn’t large, but its deep bubble made it dominate her slim form.

Her face showed youth; he guessed she was no more than 20. Her eyes were brown, narrow slits that glowed with fear or passion. Her nose was small and delicate, but with fierce flaring wings. Her lips had intriguing curves

and turned up at the ends. She was like a wild animal, unaware of her beauty. He could imagine that mouth unpredictably beaming with a smile or turning into a snarl.

“How old are you?” he asked.

“I am 19.”

“Let me see your buttocks.”

She turned, and he cupped one cheek as boldly as if selecting fruit from a basket. He squeezed and found the mound rubbery with resistance.

“You are an athlete. A swimmer?”
